Hayden Primary School
Where Little People Do Big Things!

Continuous Improvement Plan 2025-2026

Vision
We are committed to meet the academic, emotional, physical, and social needs of every child, every day.

Mission
Our mission is to provide students with a foundation to become responsible citizens and lifelong learners.

Beliefs
- Positive relationships and mutual respect among all children and adults
- Standards-based instruction prioritizing foundational skills in reading and math
- A safe and physically comfortable environment with established emergency procedures
- Expectations for appropriate behavior modeled and communicated

---

Academic Achievement

Objectives
1. Increase student mastery of standards.
2. Strengthen instruction through professional learning.

Critical Initiatives
- Align instruction and assessments to standards.
- Collect and analyze student data to guide our instruction.
- Provide differentiated instruction through enrichment and intervention based on individual needs.
- Provide quality professional development opportunities for teachers to improve their teaching practices.
- Provide opportunities for teachers to attend regular Problem Solving Team meetings to discuss individual needs of students.

Key Measures
- Annual Growth Goal = 2% in all subjects
- Classroom Observation
- Teacher Collaboration
- Lesson Plans
- Learning Targets
- Weekly Assessments
- Goal-Setting with Students
- Common Assessments
- Small Group Instruction
- Data Meetings
- Student work samples
- aimswebPlus/iReady Progress Monitoring
- Intervention data
- Benchmark Data
- Problem Solving Team Documentation

Student Well-Being

Objectives
1. Identify and remove interferences to student success.
2. Support the safety, health, and wellness of our students.

Critical Initiatives
- Identify social/emotional/behavioral needs of all students.
- Identify and address non-academic interventions needed for student success.
- Continue improvements to our facility to promote safety for all students and personnel.
- Provide for the health and wellness of students to promote student success.

Key Measures
- Teacher collaboration
- Problem Solving Team Documentation
- Health Screenings
- Goal-Setting with Students
- Teacher Observations
- Counseling Classes
- Daily Communication with Parents/Guardians
- Classroom Observation
- Tabletop Safety Drills
- Survey data
- Raptorware
- Safety Improvement to Main Entrance
- Improvements to System of Classroom Identification
- Vision Screenings

Community Engagement

Objective
Grow partnerships with parents and stakeholders to promote student success.

Critical Initiatives
- Foster communication between school and families to promote student success.
- Provide multiple opportunities for family involvement within the school to foster connection.
- Involve the community in school functions and initiatives in order to promote investment by the community in the school.
- Communicate student and school successes to the community in order to promote connection between the two groups.

Key Measures
- Remind
- School Website
- Raptorware
- Use of Blackboard Mass Communications
- School Facebook Page
- Daily Communication with Parents/Guardians
- Survey data
- School calendar of events
- Volunteer Opportunities
- Health Screenings
