### II. Public Hearing (Mrs. Voisin)

#### 1. Review and Receive Input on the St. Mary Parish School Board Consolidated Budget for the Year Ending June 30, 2026. (General Fund, Special Revenue Funds and all other Funds of the St. Mary Parish School Board). This Consolidated Budget is available for public inspection at the Central Office Complex located at 474 Hwy 317, Centerville, LA

Chief Financial Officer, Becky Voisin stated that the St. Mary Parish School Board is required to adopt our annual operating budget of revenue and expenditures by 09/15 of each fiscal year, which required this public hearing prior to the adoption.

During the St. Mary Parish School Board budget Workshop that was held on September 11, 2025. The board reviewed the 25/26 General Fund, Maintenance, and School Food Service budgets by line item.

Only 3 changes made since the September 11th meeting to these budgets are as follows:

- A General Fund (GF) reclassification of a 25/26 budgeted expense to be a prior year audit adjustment to fund balance at the recommendation of the auditors, which will have no net effect on the 06/30/26 final projected fund balance.

- A \$1M worse case increase to budgeted expenditures for group health insurance premium renewals per recent guidance from Mr. James Perez, our Insurance Consultant {\$400K for Retirees/MAP+ \$GOOK for Active Employees/Commercial Plan).
- A \$100K increase to budgeted casualty (liability) insurance expenditures based on a quote received from Mrs. Carmel Breaux, Norris Insurance Consulting, on 09/05/25 that will be presented to the board for approval this evening.

The floor was open for comments and public input. Hearing none, the public hearing was adjourned.
