

School Engagement Series

EPP is excited to offer Parent University workshops designed to empower parents and caregivers as essential partners in education. These capacity-building opportunities recognize and celebrate our families' strengths and experiences. Each school site can select from four engaging topics, and our team will present workshops at your site, ensuring that parent education is both flexible and accessible.

Parent Workshops Offered:
LBUSD 101- Navigating Our School System
Becoming an Effective Communicator
Strength of an Engaged Parent/Caregiver
Self-Care and Self-Compassion Strategies
