- 1 Was the complete annual financial report (AFR) and data submitted to the TEA within 30 days of the November 27 or January 28 deadline depending on the school district's fiscal year end date of June 30 or August 31, respectively?
- 2 Was there an unmodified opinion in the AFR on the financial statements as a whole? (The American Institute of Certified Public Accountants (AICPA) defines unmodified opinion. The external independent auditor determines if there was an unmodified opinion.)
- 3 Was the school district in compliance with the payment terms of all debt agreements at fiscal year end? (If the school district was in default in a prior fiscal year, an exemption applies in following years if the school district is current on its forbearance or payment plan with the lender and the payments are made on schedule for the fiscal year being rated. Also exempted are technical defaults that are not related to monetary defaults. A technical default is a failure to uphold the terms of a debt covenant, contract, or master promissory note even though payments to the lender, trust, or sinking fund are current. A debt agreement is a legal agreement between a debtor (= person, company, etc. that owes money) and their creditors, which includes a plan for paying back the debt.)
- 4 Did the school district make timely payments to the Teachers Retirement System (TRS), Texas Workforce Commission (TWC), Internal Revenue Service (IRS), and other government agencies? (If the school district received a warrant hold and the warrant hold was not cleared within 30 days from the date the warrant hold was issued, the school district is considered to not have made timely payments and will fail critical indicator 4. If the school district was issued a warrant hold, the maximum points and highest rating that the school district may receive is 95 points, A = Superior Achievement, even if the issue surrounding the initial warrant hold was resolved and cleared within 30 days.)
- 5 Was the total net position in the governmental activities column in the Statement of Net Position (net of accretion of interest for capital appreciation bonds, net pension liability, and other post-employment benefits) greater than zero? (If it is not, the maximum points and highest rating that the school district may receive is 79 points, C = Meets Standard Achievement, unless the school district has an increase of students in membership over 5 years of 7 percent or more or 1,000 or more students in membership. If the school district has an increase of students in membership over 5 years of 7 percent or more or 1,000 or more students in membership, the maximum points and highest rating that the school district may receive is 89 points, B = Above Standard Achievement.)
- 6 Was the average change in (assigned and unassigned) fund balances over 3 years less than a 25 percent decrease or did the current year's assigned and unassigned fund balances exceed 75 days of operational expenditures? (If the school district fails indicator 6, the maximum points and highest rating that the school district may receive is 89 points, B = Above Standard Achievement.)
- 7 Was the number of days of cash on hand and current investments in the general fund for the school district sufficient to cover operating expenditures (excluding facilities acquisition and construction)? See ranges below in the Determination of Points section.
- 8 Was the measure of current assets to current liabilities ratio for the school district sufficient to cover short-term debt? See ranges below in the Determination of Points section.
- 9 Did the school district's general fund revenues equal or exceed expenditures (excluding facilities acquisition and construction)? If not, was the school district's number of days of cash on hand greater than or equal to 60 days? See ranges below in the Determination of Points section.
- 10 This indicator is not being evaluated.
- 11 Was the ratio of long-term liabilities to total assets for the school district sufficient to support long-term solvency? (If the school district's increase of students in membership over 5 years was 7 percent or more or 1,000 or more students in membership, then the school district passes this indicator.)
- 12 What is the correlation between future debt requirements and the district's assessed property value?
- 13 Was the school district's administrative cost ratio equal to or less than the threshold ratio? See ranges below in the Determination of Points section.
- 14 Did the school district not have a 15 percent decline in the students to staff ratio over 3 years (total enrollment to total staff)? If the student enrollment did not decrease, the school district will automatically pass this indicator.
- 15 Was the school district's ADA within the allotted range of the district's biennial pupil projection(s) submitted to TEA? If the district did not submit pupil projections to TEA, did it certify TEA's projections? See ranges below in the Determination of Points section.
- 16 Did the comparison of Public Education Information Management System (PEIMS) data to like information in the school district's AFR result in a total variance of less than 3 percent of all expenditures by function? (If the school district fails indicator 16, the maximum points and highest rating that the school district may receive is 89 points, B = Above Standard Achievement.)
- 17 Did the external independent auditor report that the AFR was free of any instance(s) of material weaknesses in internal controls over financial reporting and compliance for local, state, or federal funds and free from substantial doubt about the school district's ability to continue as a going concern? (The AICPA defines material weakness.) (If the school district fails indicator 17, the maximum points and highest rating that the school district may receive is 79 points, C = Meets Standard Achievement.)
- 18 Did the external independent auditor indicate the AFR was free of any instance(s) of material noncompliance for grants, contracts, and laws related to local, state, or federal funds? (The AICPA defines material noncompliance.)
- 19 Did the school district post the required financial information on its website in accordance with Government Code, Local Government Code, Texas Education Code, Texas Administrative Code and other statutes, laws and rules that were in effect at the school district's fiscal year end?
- 20 Did the school district's administration and school board members discuss any changes and/or impact to local, state, and federal funding at a board meeting within 120 days before the district adopted its budget?
- 21 Did the school district receive an adjusted repayment schedule for more than one fiscal year for an over-allocation of Foundation School Program (FSP) funds because of a financial hardship?

DETERMINATION OF RATING

A. Did the school district fail any of the critical indicators 1, 2, 3, or 4? If so, the school district's rating is **F for Substandard Achievement** regardless of points earned.

B. Determine the rating by the applicable number of points.

A = Superior Achievement

90-100

B = Above Standard Achievement

80-89

C = Meets Standard Achievement

70-79

F = Substandard Achievement

<70

No Rating = A school district receiving territory that annexes with a school district ordered by the commissioner under TEC 13.054, or consolidation under Subchapter H, Chapter 41. No rating will be issued for the school district receiving territory until the third year after the annexation/consolidation.

The school district receives an **F** if it scores below the minimum passing score, if it failed any critical indicator 1, 2, 3, or 4, if the AFR or the data were not both complete, or if either the AFR or the data were not submitted on time for FIRST analysis.

CEILING

INDICATORS

Did the school district meet the criteria for any of the following **ceiling indicators** 4, 5, 6, 16, 17, 20, or 21? If so, the school district's applicable maximum points and rating are disclosed below. Please note, an F = Substandard Achievement Rating supersedes any rating earned as the result of the school district meeting the criteria of a ceiling indicator.

THE STATE OF TEXAS §

§ KNOW ALL MEN BY THESE PRESENTS:

COUNTY OF GILLESPIE §

THIS SUPERINTENDENT'S EMPLOYMENT CONTRACT ("Contract") is made and entered into effective this 1st day of March 2025, by and between the Board of Trustees (the "Board") of the **Fredericksburg Independent School District** (the "District") and **Dr. Joe Rodriguez** (the "Superintendent").

W I T N E S S E T H:

NOW, THEREFORE, the Board and the Superintendent, for and in consideration of the terms hereinafter established and pursuant to Chapter 11, Subchapters D and E, Section 11.201 and Chapter 21, Subchapter E of the Texas Education Code, have agreed, and do hereby agree, as follows:

I. TERM

1.1 **Term.** The Board, by and on behalf of the District, does hereby employ the Superintendent, and the Superintendent does hereby accept employment as Superintendent of Schools for the District for a term commencing on March 1, 2025, and ending on June 30, 2028. The District may, by action of the Board, and with the consent and approval of the Superintendent, extend the term of this Contract as permitted by state law.

1.2 **No Tenure.** The Board has not adopted any policy, rule, regulation, law, or practice providing for tenure. No right of tenure is created by this Contract. No property interest, express or implied, is created in continued employment beyond the Contract term.

II. EMPLOYMENT

2.1 **Duties.** The Superintendent is the chief executive of the District and shall faithfully perform the duties of the Superintendent of Schools for the District as prescribed in state law and policy and as may be lawfully assigned by the Board, and shall comply with all lawful Board directives, state and federal law, District policy, rules, and regulations as they exist or may hereafter be amended. Specifically, it shall be the duty of the Superintendent to recommend for employment all professional employees of the District subject to the Board's approval. It shall be

the further duty of the Superintendent to employ all other personnel consistent with the Board's policies. It shall be the further duty of the Superintendent to direct, assign, reassign, and evaluate all of the employees of the District consistent with Board policies and federal and state law. It shall be the further duty of the Superintendent to organize, reorganize, and arrange the staff of the District, and to develop and establish administrative regulations, rules, and procedures which the Superintendent deems necessary for the efficient and effective operation of the District consistent with the Board's lawful directives, the Board's policies, and state and federal law. It shall be the further duty of the Superintendent to accept all resignations of employees of the District consistent with the Board's policies, except the Superintendent's resignation, which must be accepted by the Board. The Superintendent shall perform the duties of the Superintendent of Schools for the District with reasonable care, diligence, skill, and expertise. All duties assigned to the Superintendent by the Board shall be appropriate to and consistent with the professional role and responsibility of the Superintendent.

2.2 Professional Certification. The Superintendent shall at all times during the term of this Contract, and any renewal or extension thereof, hold and maintain a valid certificate required of a superintendent by the State of Texas and issued by the State Board for Educator Certification or the Texas Education Agency and any other certificates required by law. If the Superintendent's certification expires, is canceled, or is revoked, this Contract is void.

2.3 Reassignment. The Superintendent cannot be reassigned from the position of Superintendent to another position without the Superintendent's express written consent.

2.4 Board Meetings. The Superintendent shall attend all meetings of the Board, both public and closed, with the exception of those closed meetings regarding the deliberation or the consideration of the Superintendent's Contract, or the Superintendent's evaluation, or for purposes of resolving conflicts between individual Board members, or when the Board is acting in its capacity as a tribunal. In the event of illness or Board-approved absence, the Superintendent's designee, as approved by the Board President, shall attend such meetings. Further, the Superintendent shall provide recommendation(s) and/or information as to each of the items of business considered at each meeting as needed or requested by the Board.

2.5 Criticisms, Complaints, and Suggestions. The Board, individually and collectively, shall refer in a timely manner all substantive criticisms, complaints, and suggestions called to the Board's attention either: (a) to the Superintendent for study and/or appropriate action, and the Superintendent shall refer such matter(s) to the appropriate District employee or shall investigate such matter(s) and shall within a reasonable time inform the Board of the results of such efforts; or, (b) to the appropriate complaint resolution procedure as established by District Board policies.

2.6 Indemnification. To the extent it may be permitted by applicable law, including, but not limited to Texas Civil Practice & Remedies Code Chapter 102, the District does hereby agree to defend, hold harmless, and indemnify Superintendent from any and all demands, claims, suits, actions, judgments, expenses and attorneys' fees incurred in any legal proceedings brought against

Superintendent in the Superintendent's individual or official capacity as an employee and as Superintendent of the District, providing the incident(s), which is (are) the basis of any such demand, claim, suits, actions, judgments, expenses and attorneys' fees, arose or does arise in the future from an act or omission of Superintendent as an employee of the District, acting within the course and scope of Superintendent's employment with the District; excluding, however, any such demand, claim, suits, actions, judgments, expenses and attorneys' fees for those claims or any causes of action where it is determined that Superintendent committed official misconduct, violations of criminal law or committed a willful or wrongful act or omission, or an act or omission constituting gross negligence, or acted in bad faith; and excluding any costs, fees, expenses or damages that would be recoverable or payable under an insurance contract, held either by the District or by Superintendent. The selection of Superintendent's legal counsel shall be with the mutual agreement of Superintendent and the District if such legal counsel is not also District's legal counsel. A legal defense may be provided through insurance coverage, in which case Superintendent's right to agree to legal counsel provided for him will depend on the terms of the applicable insurance contract. To the extent this Section 2.6 exceeds the authority provided and limitations imposed by Texas Civil Practice & Remedies Code, Chapter 102, it shall be construed and modified accordingly. The provisions of this Section 2.6 shall survive the termination of this Contract.

III. COMPENSATION

3.1 **Salary.** The District shall provide the Superintendent with an annual salary in the sum of Two Hundred Eight Thousand Six Hundred Ninety-Five and No/100 Dollars (\$208,695.00). The annual salary rate shall be paid to the Superintendent in regular monthly payroll installments for twelve-month administrative employees consistent with the Board's policies.

3.2 **Salary Adjustments.** At any time during the term of this Contract, the Board may, in its discretion, review and adjust the salary of the Superintendent, but in no event shall the Superintendent be paid less than the salary set forth in Section 3.1 of this Contract except by mutual agreement of the two parties. Salary adjustments, if any, shall be made via Board action at a properly posted, public meeting and to be memorialized in a new contract.

3.3 **Vacation, Holiday, Personal, State and Local Leave.** The Superintendent may take, at the Superintendent's choice, the same number of vacation/nonduty days authorized for the District's administrators on twelve-month contracts, the days to be in a single period or at different times. The vacation days taken by the Superintendent will be taken at such time or times as will least interfere with the performance of the Superintendent's duties as set forth in this Contract. The Superintendent shall observe the same legal holidays and non-duty days as provided by Board policies for the District's administrative employees on twelve-month contracts. The Superintendent is hereby granted the same personal leave benefits as authorized by Board policies for the District's administrative employees on twelve-month contracts.

3.4 **Insurance.** The District shall pay the same premiums for hospitalization/major medical/health insurance for the Superintendent as it does for its other administrative employees pursuant to the group health care plan provided by the District for its administrative employees.

3.5 **Professional Growth.** The Superintendent shall devote the Superintendent's time, attention, and energy to the direction, administration, and supervision of the District. The Board, however, encourages the continued professional growth of the Superintendent through the Superintendent's active attendance at and participation in appropriate professional meetings at the local, regional, state and national levels. The Board encourages the use of data and information sources by the Superintendent. The Board also encourages the Superintendent to participate in pertinent education seminars and courses, offered by public or private institutions or by educational associations, and in informational meetings with those individuals whose particular skills, expertise, or backgrounds would serve to improve the capacity of the Superintendent to perform the Superintendent's professional responsibilities for the District. In its encouragement of the Superintendent to grow professionally, the Board shall permit a reasonable amount of release time for the Superintendent as the Superintendent and the Board deems appropriate, to attend such seminars, courses or meetings and undertake speaking/writing and/or other professional engagements. The Superintendent may accept a reimbursement of expenses for such speaking/writing and/or other professional engagements at no expense to the District and all such engagements shall be consistent with state and federal law. The District shall pay the Superintendent's membership dues to the American Association of School Administrators and the Texas Association of School Administrators, as well as other memberships necessary to maintain and improve the Superintendent's professional skills. The District shall bear the reasonable cost and expense for registration, travel, meals, lodging, and other related expenses for such attendance and membership, subject to advance Board approval and subject to the District's policies, administrative regulations and established procedures. The Superintendent shall comply with all procedures and documentation requirements necessary for reimbursement of expenses in accordance with Board policies, administrative regulations and established procedures.

3.6 **Civic Activities.** The Board encourages the Superintendent to become a member of and participate in community and civic affairs, including the chamber of commerce, civic clubs, governmental committees, and educational organizations. The Board concludes that such participation will serve a legitimate purpose related to the educational mission of the District. The Superintendent may hold offices or accept responsibilities in these professional organizations, provided that such responsibilities do not interfere with the performance of his duties as Superintendent. Prior to engaging in these activities, the Superintendent will notify the Board in writing of the activity. The Board will notify the Superintendent if the activity presents a conflict or interferes with the performance of his duties as Superintendent. The District shall reimburse the Superintendent for the cost of membership in all local civic organizations in which the Superintendent participates and related travel outside of the District, subject to advance Board approval and District's policies, administrative regulations and established procedures.

3.7 Expenses. The District shall pay or reimburse the Superintendent for reasonable expenses incurred by the Superintendent in the continuing performance of the Superintendent's duties under this Contract in accordance with Board policies/procedures. Such expenses shall include the actual and incidental costs incurred by the Superintendent for travel, including but not limited to, gasoline, hotels and accommodations, meals, rental car, and other expenses incurred in the performance of the business of the District. The Superintendent shall comply with all procedures and documentation requirements necessary for reimbursement of expenses in accordance with Board policies, administrative regulations and established procedures.

3.8 Technology.

3.8.1 Laptop Computer and Internet Service. The District shall provide the Superintendent with a laptop computer, iPad, internet service and other devices provided to District administrators on twelve-month contracts, for both professional and limited personal use as set forth in policy at the sole expense of the District.

3.8.2 Information Stored on District-Owned and Personal Devices. The parties understand that information stored in the Superintendent's cell phone, computer(s) and/or other District-owned or personal devices is subject to public disclosure if such information is related to the public business of the School District or to his duties as Superintendent. To the extent permitted under the Texas Public Information Act, notwithstanding the location of personal data on the cell phone, computer(s) and/or other District-owned or personal devices, any personal or private information of the Superintendent that is not District business-related and that is contained on the cell phone, computer(s) and/or other District-owned or personal devices containing such data or information is private and the Superintendent's sole property; provided it shall be the responsibility of the Superintendent to assert, and to bear any costs, legal or otherwise, of asserting, privacy or other confidentiality privileges or rights as to any such data or information before the Texas Attorney General or court.

3.9 Annual Physical Examination. The Superintendent shall undergo an annual physical examination performed by a licensed physician mutually acceptable to the Board and the Superintendent. The examination will determine the Superintendent's continuing physical fitness to fulfill the duties and responsibilities of the position and may include laboratory analysis of blood, urine, stress, EKG and other procedures as deemed appropriate by the licensed physician. The health care professional who performs the examination shall submit confidential reports to the Board regarding the Superintendent's fitness to perform the essential functions of the job. These reports will be maintained as confidential medical records to the extent permitted by law. The District shall pay all reasonable costs of the examination.

3.10 Texas Teacher Retirement System. For performance of Superintendent duties, the District shall supplement the Superintendent's salary by an amount equal to 100% of the Superintendent's portion of the member contribution to the Texas Teacher Retirement System ("TRS") during the Term of this Contract, including any extensions thereof. This supplement shall

include both the retirement and TRS-Care parts of the TRS member contribution, as applicable. This additional salary supplement for services rendered shall be paid to the Superintendent in regular monthly payroll installments and shall be reported as "creditable compensation" by the District for purposes of TRS, to the extent permitted by TRS.

3.11 Supplemental Retirement Plan. Annually during the term of this Contract, the District shall add to the Salary of the Superintendent the amount of eighty-nine percent (89%) of the annual maximum voluntary contribution allowable under Section 402(g) of the Code for a 403(b) and 457(b) Plan, at the beginning of the Contract year, as indexed, including the age-based catch-up provisions, if applicable ("Additional Salary"). One-twelfth of this amount shall be paid as a monthly salary deferral contribution, at the election of the Superintendent, to a plan established by the District under Section 403(b) and/or Section 457(b) of the Code. In the event the Superintendent executes a salary deferral agreement in accordance with the requirements of Sections 403(b) and/or 457(b) of the Internal Revenue Code (the "Code") in at least the amount of the Additional Salary, the Additional Salary shall be paid as a salary deferral contribution ("Salary Deferral Contribution"). Under and pursuant to applicable Internal Revenue Service rules the Superintendent shall have the option to elect to receive the Additional Salary in cash rather than as a Salary Deferral Contribution. All such Salary Deferral Contributions contemplated herein shall be paid to a plan that is (i) established by the District under Section 403(b) and/or Section 457(b) of the Code; and (ii) available to all TRS members employed by the District. Such plans shall include investments as allowed under Sections 403(b), 403(b)(7) and/or 457(b) of the Code, respectively, and the investments for the Superintendent's accounts shall be solely at his/her discretion. The Superintendent shall always be 100% vested in his/her account under the 403(b) and/or 457(b) plan. The Salary Deferral Contributions contemplated herein shall be treated as salary deferrals under the Code and shall be reported as "creditable compensation" by the District for purposes of the Teacher Retirement System of Texas. No payments under this Section shall be made after the Superintendent's employment terminates.

3.12 Benefits: The District shall provide other benefits to the Superintendent as provided by state law, and Board policies, administrative regulations and established procedures. The Board reserves the right to amend the District's its policies, regulations and procedures at any time during the term of this Contract to reduce or increase such other benefits, at the Board's sole discretion. However, the Board may modify the benefits expressly provided herein only upon mutual written agreement of the parties in accordance with section 8.7.

IV. ANNUAL PERFORMANCE GOALS

4.1 Development of Goals. The Superintendent shall submit to the Board a preliminary list of goals for the District each year for the Board's consideration and adoption. The Superintendent and the Board shall then meet, and the Board shall approve or revise the list of goals. The Superintendent shall submit to the Board for its approval a plan to implement the goals. The Superintendent and the Board shall meet biannually to assess the goals and may adjust or revise the goals either by action of the Board or upon recommendation of the Superintendent and approval

of the Board. The goals approved by the Board shall at all times be reduced to writing ("District Goals") and shall be among the criteria on which the Superintendent's performance is reviewed and evaluated. The District Goals submitted to the Board by the Superintendent and approved by the Board shall be specific, definitive and measurable, to the extent feasible. The Board agrees to work with and support the Superintendent in achieving the District Goals.

V. REVIEW OF PERFORMANCE

5.1 Time and Basis of Evaluation. The Board shall evaluate and assess in writing the performance of the Superintendent at least once each year during the term of this Contract. The Board's evaluation and assessment of the Superintendent shall be reasonably related to the duties of the Superintendent as outlined in the Superintendent's job duties and shall be based on the District's progress towards accomplishing the District Goals.

5.2 Confidentiality. Unless the Superintendent expressly requests otherwise in writing, the evaluation of the Superintendent shall at all times be conducted in executive session and shall be considered confidential to the extent permitted by law. Nothing herein shall prohibit the Board or the Superintendent from sharing the content of the Superintendent's evaluation with their respective legal counsel.

5.3 Evaluation Format and Procedures. The evaluation format and procedure shall be in accordance with the Board's policies and state and federal law. In the event that the Board determines that the performance of the Superintendent is unsatisfactory in any respect, it shall describe in writing, in reasonable detail, specific instances of unsatisfactory performance. The evaluation shall include recommendations as to areas of improvement in all instances where the Board deems performance to be unsatisfactory. A copy of the written evaluation shall be delivered to the Superintendent. The Superintendent shall have the right to make a written response to the evaluation within thirty (30) days of receipt of the written evaluation from the board. That response shall become a permanent attachment to the evaluation in the Superintendent's personnel file. Within sixty (60) days of the delivery of the written evaluation to the Superintendent, the Board shall meet with the Superintendent to discuss the evaluation. The Board shall devote a portion of, or all of, one closed session annually to a discussion of the working relationship between the Superintendent and the Board. In the event the Board deems that the evaluation instrument, format, and/or procedure is to be modified by the Board and such modifications would require new or different performance expectations, such modifications will be adopted with input from the Superintendent and the Superintendent shall be provided a reasonable period of time to demonstrate such expected performance before being evaluated.

VI. EXTENSION OR NONRENEWAL OF EMPLOYMENT CONTRACT

6.1 **Extension/Nonrenewal.** Extension and/or nonrenewal shall be in accordance with Board policy, Texas Education Code Chapter 21, Subchapter E, and applicable law.

VII. TERMINATION AND SUSPENSION OF EMPLOYMENT CONTRACT

7.1 **Mutual Agreement.** This Contract may be terminated by the mutual, written agreement of the Superintendent and the Board.

7.2 **Retirement or Death.** This Contract shall be terminated upon the retirement or death of the Superintendent.

7.3 **Suspension/Termination for Good Cause.** The Board may suspend or terminate the Superintendent during the term of the Contract for “good cause,” which includes, but is not necessarily limited to:

- (a) Failure to fulfill duties or responsibilities as set forth under the terms and conditions of this Contract;
- (b) Incompetence or inefficiency in the performance of required or assigned duties as documented by evaluations, supplemental memoranda, or other written communication from the Board; provided, however, the terms and conditions of this paragraph shall not justify good cause unless the Board has provided the Superintendent a reasonable opportunity to remediate any incompetency or inefficiency;
- (c) Insubordination or failure to comply with lawful written Board directives;
- (d) Failure to comply with the Board’s policies or the District’s administrative regulations;
- (e) Neglect of duties;
- (f) Drunkenness or excessive use of alcoholic beverages;
- (g) Illegal use of drugs, hallucinogens, or other substances regulated by the Texas Controlled Substances Act;
- (h) Conviction of a felony or crime involving moral turpitude;
- (i) Failure to meet the District’s standards of professional conduct;
- (j) Failure to comply with reasonable District professional development requirements regarding advanced course work or professional development;
- (k) Disability, not otherwise protected by law, that impairs performance of the required duties of the Superintendent;
- (l) Immorality, which is conduct the Board determines is not in conformity with the accepted moral standards of the community encompassed by the District. Immorality is not confined to sexual matters, but includes conduct inconsistent with rectitude or indicative of corruption, indecency, or depravity;
- (m) Assault on an employee or student;

- (n) Knowingly falsifying records or documents related to the District's activities including in the application for employment or any records or information provided in connection with his employment;
- (o) Conscious misrepresentation of facts to the Board or other District officials in the conduct of the District's business;
- (p) Failure to fulfill requirements for superintendent certification; or,
- (q) Any other reason constituting "good cause" under Texas law.

7.4 Termination Procedure. The suspension or termination of this Contract will be subject to procedures set forth in applicable federal and state law and policy.

7.5 Resignation of Superintendent. The Superintendent may leave the employment of the District at the end of a school year without penalty by filing a written resignation with the Board. The resignation must be addressed to the Board and filed not later than the 45th day before the first day of instruction of the following year. The Superintendent may resign with the consent of the Board at any other time.

7.6 Termination Without Cause. The Board may terminate Superintendent's employment under this Contract at any time, without cause, upon one hundred twenty (120) days' written notice (such termination referred to throughout this Contract as a "Termination Without Cause"). In the event of any such Termination Without Cause, the District agrees to pay to Superintendent (i) any Salary earned and unpaid through the date of such termination of employment, (ii) any business expenses otherwise due to him through the date of the termination of his employment, and (iii) payment of accrued but unused vacation/non-duty, holiday or local leave time. In the event of a Termination Without Cause, and expressly conditioned on Superintendent's execution of a Separation Agreement with mutual releases of any and all claims and potential claims, the District shall pay Superintendent, and Superintendent further agrees to accept, as his sole and exclusive remedy a Severance Payment in an amount equal to twelve (12) month's Salary and Benefits under the terms of this Contract. In addition, the Board shall take affirmative action to deem that, as of the effective date of termination, Superintendent is fully vested in all amounts contributed to and on deposit in all supplemental retirement plans, if any.

If the Commissioner reverses the action of the Board to terminate this Contract for good cause, in lieu of the right to continued employment or any relief of reinstatement, the parties agree that the District shall pay the Superintendent a lump sum payment to fully compensate the Superintendent for the entire value of all Salary and Benefits due under the remaining term of this Contract, including without limitation, medical and health benefits, supplemental payments to the Teacher Retirement System of Texas, contributions to Supplemental Retirement Plans. In addition, the District shall reimburse the Superintendent for all reasonable costs and attorneys' fees incurred by the Superintendent to enforce this Contract.

7.7 Conflict Resolution. Mediation. Should any dispute between the Superintendent and the Board regarding the terms and provisions of this Contract arise during the term of this Contract that cannot be resolved through negotiation, the parties may submit such dispute to non-binding

mediation by submitting a written request for mediation to the other party, setting forth the subject of the dispute and the relief requested. The parties will cooperate with each other in scheduling a time and date for the mediation and selecting a mutually acceptable mediator. The District will pay the mediator's fee. The parties agree that such mediation shall be a compromise negotiation for purposes of Rule 408 of the Federal Rules of Evidence, Texas Rules of Evidence and an alternative dispute resolution procedure, subject to Texas Civil Practice & Remedies Code § 154.073. The parties recognize that the Texas Education Code contains certain mandatory and jurisdictional deadlines that cannot be extended through agreement of the parties. Accordingly, each party further recognizes that the other may be required to pursue certain legal or equitable action during the mediation process in order to protect his or its rights.

VIII. MISCELLANEOUS

8.1 Controlling Law. This Contract shall be governed by the laws of the State of Texas and shall be performable in Gillespie County, Texas, unless otherwise provided by law.

8.2 Complete Agreement. This Contract embodies the entire agreement between the parties hereto and cannot be modified except by written agreement of the undersigned parties, except as expressly provided herein.

8.3 Conflicts. In the event of any conflict between the terms, conditions, and provisions of this Contract and the provisions of the Board's policies, or any permissible state or federal law, then, unless otherwise prohibited by law, the terms of this Contract shall take precedence over the contrary provisions of the Board's policies or any such permissive law during the term of the Contract.

In the event any one or more of the provisions contained in this Contract shall, for any reason, be held to be invalid, illegal, or unenforceable, such invalidity, illegality, or unenforceability shall not affect any other provision thereof, and this Contract shall be construed as if such invalid, illegal, or unenforceable provision had never been contained herein. If litigation is brought in state or federal court, the Parties agree that venue shall be the state or federal district and division in which the District's administration building is located.
