Meetings of the Board of Education are conducted for the purpose of accomplishing district business. In accordance with applicable open meeting laws (Brown Act), the Board shall hold its meetings in public and shall conduct closed sessions during such meetings only as authorized by law. To encourage community involvement in the schools, Board meetings shall provide the opportunity for by members of the public to directly address the Board. All meetings shall be conducted in accordance with law and the Board's bylaws, policies, and administrative regulations.

A Board meeting exists whenever a majority of Board members gather at the same time and location, including teleconference location as permitted by Government Code 54953, to hear, discuss, deliberate, or take action upon any item within the subject matter jurisdiction of the Board. (Government Code 54952.2)

In accordance with law and as specified in Board Bylaw 9012 - Board Member Electronic Communications, a majority of the Board shall not, outside of an authorized meeting, use a series of communications of any kind, directly or through intermediaries, including social media and other electronic communications, to discuss, deliberate, or take action on any item that is within the subject matter jurisdiction of the Board. (Government Code 54952.2)

However, the Superintendent or designee may engage in separate conversations or communications with Board members in order to answer questions or provide information regarding an item within the subject matter jurisdiction of the Board, as long as that employee or district official does not communicate the comments or position of any Board members to other Board members. (Government Code 54952.2)

In order to help ensure the participation of individuals with disabilities at Board meetings, the Superintendent or designee shall provide appropriate disability-related accommodations or modifications upon request in accordance with the Americans with Disabilities Act. Any doubt about a request for accommodation shall be resolved in favor of accessibility. Notice of the procedure for receiving and resolving such requests for accommodation shall be given in each instance in which notice of the time of a meeting is otherwise given or the agenda for the meeting is otherwise posted. (Government Code 54953, 54953.2, 54954.1, 54954.2)

Regular Meetings

Unless otherwise determined by the Board, the Board shall hold 2 regular meeting(s) each month starting at 6:00 p.m. on the 2nd and 4th Tuesday(s) of the month at Santa Ana Unified School District Board Room, 1601 E. Chestnut Ave., Santa Ana, CA 92701.

At least 72 hours prior to a regular meeting, the agenda shall be posted at one or more locations freely accessible to members of the public and on the district's website. (Government Code 54954.2)

At least 24 hours before the time of the meeting, written notice of special meetings shall be delivered personally or by any other means to all Board members and the local media who have requested such notice in writing. The notice shall also be posted on the district's website, and, at least 24 hours before the time of the meeting, in a location freely accessible to the public. The notice shall specify the time and location of the meeting and the business to be transacted or discussed. No other business shall be considered at this meeting. (Education Code 35144; Government Code 54956)

Any Board member may waive the 24-hour written notice requirement prior to the time of the meeting by filing a written waiver of notice with the clerk or secretary of the Board or by being present at the meeting at the time it

convenes. (Education Code 35144; Government Code 54956)

Every notice of a special meeting shall provide an opportunity for members of the public to directly address the Board concerning any item that has been described in the meeting notice, before or during the item's consideration. (Government Code 54954.3)

Emergency Meetings

In the case of an emergency situation for which prompt action is necessary due to the disruption or threatened disruption of public facilities, the Board may hold an emergency meeting without complying with the 24-hour notice and/or 24-hour posting requirement for special meetings pursuant to Government Code 54956. The Board shall comply with all other requirements for special meetings during an emergency meeting. (Government Code 54956.5)

Except in the case of a dire emergency, the Board president or designee shall give notice of the emergency meeting by telephone at least one hour before the meeting to the local media that have requested notice of special meetings. All telephone numbers provided by the media in the most recent request for notification shall be exhausted. If telephone services are not functioning, the notice requirement of one hour is waived and, as soon after the meeting as possible, the Board shall notify those media representatives of the meeting and shall describe the purpose of the meeting and any action taken by the Board. In the case of a dire emergency, the Board president or designee shall give such notice at or near the time notification is given to the other members of the Board. (Government Code 54956.5)

The minutes of the meeting, a list of persons the Board president or designee notified or attempted to notify, a copy of the roll call vote, and any actions taken at the meeting shall be posted for at least 10 days in a public place as soon after the meeting as possible. (Government Code 54956.5)

An *emergency* means a work stoppage, crippling activity, or other activity that severely impairs public health and/or safety as determined by a majority of the members of the Board. (Government Code 54956.5)

A *dire emergency* means a crippling disaster, mass destruction, terrorist act, or threatened terrorist activity that poses peril so immediate and significant that requiring the Board to provide one-hour notice before holding an emergency meeting may endanger the public health and/or safety as determined by a majority of the members of the Board. (Government Code 54956.5)

Adjourned/Continued Meetings

The Board may adjourn/continue any regular or special meeting to a later time and location that shall be specified in the order of adjournment. Less than a quorum of the Board may adjourn/continue such a meeting. If no Board members are present, the secretary or the clerk may declare the meeting adjourned/continued to a later time and location and shall give notice in the same manner required for special meetings. (Government Code 54955)

Within 24 hours after the time of adjournment/continuance, a copy of the order or notice of adjournment/continuance shall be conspicuously posted on or near the door of the location where the meeting was held. (Government Code 54955)

Study Sessions, Retreats, Public Forums, and Discussion Meetings

The Board may convene a study session or public forum to study an issue in more detail or to receive information from staff or feedback from members of the public. The Board may also convene a retreat or discussion meeting to discuss Board roles and relationships. Any such meeting, regardless of title or topic, shall be held as a regular or special meeting, as appropriate, and shall comply with all other requirements for regular or special meetings. (Government Code 54956)

Other Gatherings

Attendance by a majority of Board members at any of the following events is not subject to the Brown Act provided that a majority of the Board members do not discuss specific district business among themselves other than as part of the scheduled program: (Government Code 54952.2)

Location of Meetings

Unless the Board is holding a teleconference meeting during a proclaimed state of emergency, all meetings shall be held within district boundaries, except to do any of the following: (Government Code 54954)

1. Comply with state or federal law or court order or attend a judicial or administrative proceeding to which the district is a party
2. Inspect real or personal property which cannot conveniently be brought into the district, provided that the topic of the meeting is limited to items directly related to the property

4. Meet in the closest meeting facility if the district has no meeting facility within its boundaries or if its principal office is located outside the district
5. Meet with elected or appointed state or federal officials when a local meeting would be impractical, solely to discuss legislative or regulatory issues affecting the district over which the state or federal officials have jurisdiction
6. Meet in or near a facility owned by the district but located outside the district, provided the meeting agenda is limited to items directly related to that facility
7. Visit the office of the district's legal counsel for a closed session on pending litigation, when doing so would reduce legal fees or costs
8. Attend conferences on nonadversarial collective bargaining techniques
9. Interview residents of another district regarding the Board's potential employment of an applicant for Superintendent of the district

All meetings, regardless of location, shall comply with the applicable notice and open meeting requirements. Traditional Teleconferencing

A Board member may participate in any meeting by teleconference, which includes both audio or video/audio so long as the following conditions are met: (Government Code 54953)

1. All votes taken during the meeting are by rollcall
2. The meeting is conducted in a manner that protects the statutory and constitutional rights of the parties or the public appearing before the legislative body of a local agency
3. The location of the Board member participating by teleconference is open and accessible to the public during the meeting, except during closed session, such that members of the public may observe in person the Board member participating by teleconference, and may make public comment during the same portion of the agenda as other members of the public from the same location as the Board member participating by teleconference
4. The location of the Board member participating by teleconference is noted in the agenda and the agenda is posted at the location of the Board member participating by teleconference in advance of the meeting as statutorily required based on the type of meeting
5. At least a quorum of the members is within the district boundaries.

Teleconferencing by Individual Board Member Due to Just Cause

Until January 1, 2026, when there is "just cause" preventing a Board member from attending a Board meeting in person, that Board member may participate in that meeting by teleconference without: (Government Code 54953)

1. Including the location of the Board member participating by teleconference in the agenda
2. Making the location of the Board member participating by teleconference open and accessible to the public
3. Posting the agenda at the location of the Board member participating by teleconference

A Board member needing to participate by teleconference for just cause shall notify the Board at the earliest possible opportunity, including at the start of a regular meeting, of the need to do so and include a general description of the circumstances relating to the need to appear by teleconference at the given meeting. (Government Code 54953)

For the Board member to participate by teleconference under this section, all of the following are required: (Government Code 54953)

2. At least a quorum of the Board participates in person from a singular physical location clearly identified on the agenda
3. The Board member participating by teleconferences utilizes both audio and visual technology to participate in the meeting

5. The public is able to access the meeting via a two-way audiovisual platform or a two-way audio service and a live webcast, with real-time public comment being allowed via the platform or service, in addition to public comment being available in person. The platform or service may require members of the public to register in order to make public comments-so long as the platform or service is not controlled by the district.
6. The agenda for the meeting includes information describing how members of the public can access the platform or service

If the platform or service is disrupted such that the public cannot access the meeting or give real-time public comment, the meeting may continue but the Board may not take action on any agenda item until the disruption is resolved. (Government Code 54953)

A Board member shall be permitted to participate by teleconference for just cause for no more than two meetings per calendar year. Government Code 54953)

For purposes of this section, "just cause" may exist for any of the following: (Government Code 54953)

2. A contagious illness prevents a Board member from attending in person
3. A Board member has a need related to a physical or mental disability not otherwise reasonably accommodated
4. A Board member is traveling while on official business of the Board or another state or local agency

Teleconferencing by Individual Board Member Due to Emergency Circumstances

Until January 1, 2026, when physical or family medical emergency would prevent a Board member from attending a Board meeting in person, that Board member may request to participate in such meeting by teleconference. The Board member requesting to appear remotely shall submit the request as soon as possible and include a concise general description of the emergency that necessitated the request. The Board member shall not be required to disclose any disability, medical diagnosis, or personal medical information exempt under existing law. (Government Code 54953)

If the request is received timely, it shall be added to the agenda as the first item of business at the meeting, even before any closed session items. If the request is not received timely, it shall be taken up by the Board before the first item of business at the meeting. The request shall only be granted upon a vote by the majority of the Board. (Government Code 54953, 54954.2)

If the request is granted by the Board, the Board member may participate by teleconference without: (Government Code 54953)

1. Including the location of the Board member participating by teleconference in the agenda
2. Making the location of the Board member participating by teleconference open and accessible to the public
3. Posting the agenda at the location of the Board member participating by teleconference

For the Board member to participate by teleconference due to emergency circumstances, all of the following are required: (Government Code 54953)

1. All votes taken during the meeting are by rollcall
2. At least a quorum of the Board participates in person from a singular physical location clearly identified on the agenda
3. The Board member participating by teleconference utilizes both audio and visual technology to participate in the meeting
4. The Board member participating by teleconference publicly discloses, before any action is taken, whether any individual 18 years of age or older is present at the Board member's location and the general nature of the member's relationship with each such individual
5. The public is able to access the meeting via a two-way audiovisual platform or a two-way audio service and a live webcast, with real-time public comment being allowed via the platform or service, in addition to public comment being available in person. The platform or service may require members of the public to register in order to make public comments so long as the platform or service is not controlled by the district.
6. The agenda for the meeting includes information describing how members of the public can access the platform or service

If the platform or service is disrupted such that the public cannot access the meeting or give real-time public comment, the meeting may continue but the Board shall not take action on any agenda item until the disruption is resolved. (Government Code 54953)

In total, a Board member may not participate by teleconference due to emergency circumstances alone, or together with teleconference due to just cause, as specified above, for more than 20 percent of the Board's regular meetings or for more than three consecutive months. If the Board meets less than 10 times in a calendar year, a Board member may not appear remotely due to emergency circumstances for more than two meetings. (Government Code

54953)

Teleconference Meetings During a Proclaimed State of Emergency

The Board may conduct a Board meeting entirely by teleconference during a proclaimed state of emergency pursuant to Government Code 8625-8629 in any of the following circumstances: (Government Code 54953)

1. For the purpose of determining whether meeting in person would present imminent risks to the health or safety of attendees due to the emergency
2. When the Board has been determined, pursuant to Item #1 above, that meeting in person would present imminent risks to the health or safety of attendees due to the emergency

The Board may hold a meeting by teleconference during a proclaimed state of emergency without: (Government Code 54953)

1. Including the location of the Board members in the agenda
2. Making the locations of Board members open and accessible to the public
3. Posting the agenda at the locations of Board members

For the Board to hold such meeting, all of the following are required: (Government Code 54953)

1. All votes taken during the meeting are by rollcall
2. The public is able to access the meeting via a call-in service or an internet-based platform or service, with real-time public comment being allowed via the platform or service
If an internet-based platform or service is utilized, it may require members of the public to register in order to make public comments so long as the platform or service is not controlled by the district.
3. The agenda for the meeting includes information describing how members of the public can access the platform or service

If the platform or service is disrupted such that the public cannot access the meeting or give real-time public comment, the meeting may continue but the Board may not take action on any agenda item until the disruption is resolved. (Government Code 54953)

For any public comment period with a time limit, the Board may not close that public comment period or the opportunity to register until the full time for public comment has elapsed. For any other public comment period, the Board shall allow a reasonable amount of time to allow members of the public to provide comment and register to do so. (Government Code 54953)

The Board may continue to conduct all meetings by teleconference throughout one or more 45-day periods so long as, prior to the beginning of each 45-day period, the Board has reconsidered the circumstances of the state of emergency and determines that it continues to directly impact the ability of the Board to meet safely in person. (Government Code 54953)

Each agenda shall contain a general description of each closed session item to be discussed at the meeting, as required by law and specified below. (Government Code 54954.2)

In the open session preceding the closed session, the Board shall disclose the items to be discussed in closed session. In the closed session, the Board may consider only those matters covered in its statement. (Government Code 54957.7)

After the closed session, the Board shall reconvene in open session before adjourning the meeting and, when applicable, shall publicly disclose any action taken in the closed session, the votes or abstentions thereon, and other disclosures specified below that are applicable to the matter being addressed. Such reports may be made in writing or orally at the location announced in the agenda for the closed session. (Education Code 32281; Government Code 54957.1, 54957.7)

When an action taken during a closed session involves final approval or adoption of a document such as a contract or settlement agreement, the Superintendent or designee shall provide a copy of the document to any person present at the conclusion of the closed session who submitted a written request. If the action taken results in one or more substantive amendments, the Superintendent or designee shall make the document available the next business day or when the necessary retyping is completed. Whenever copies of an approved agreement will not be immediately released due to an amendment, the Board president shall orally summarize the substance of the amendment for those present at the end of the closed session. (Government Code 54957.1)

Confidentiality

A Board member shall not disclose confidential information received in closed session unless the Board authorizes the disclosure of that information. (Government Code 54963)

The Board shall not disclose any information that is protected by state or federal law. In addition, no victim or alleged victim of tortious sexual conduct or child abuse shall be identified in any Board agenda, notice, announcement, or report required by the Brown Act, unless the identity of the person has previously been publicly disclosed. (Government Code 54957.7, 54961)

Personnel Matters

The Board may hold a closed session under the "personnel exception" to consider the appointment, employment, performance evaluation, discipline, or dismissal of an employee. Such a closed session shall not include discussion or action on proposed compensation except for a reduction of compensation that results from the imposition of discipline. (Government Code 54957)

The Board may also hold a closed session to hear complaints or charges brought against an employee by another person or employee, unless the employee who is the subject of the complaint requests an open session. Before the Board holds a closed session on specific complaints or charges brought against an employee, the employee shall receive written notice of the right to have the complaints or charges heard in open session if desired. This notice shall be delivered personally or by mail at least 24 hours before the time of the session. (Government Code 54957)

The Board may hold a closed session to discuss an employee's application for early withdrawal of funds in a deferred compensation plan when the application is based on financial hardship arising from an unforeseeable emergency due to illness, accident, casualty, or other extraordinary event, as specified in the deferred compensation plan. (Government Code 54957.10)

Agenda items related to district employee appointments and employment shall describe the position to be filled. Agenda items related to performance evaluations shall specify the title of the employee being reviewed. Agenda items related to employee discipline, dismissal, or release require no additional information. (Government Code 54954.5)

After the closed session, the Board shall report any action taken to appoint, employ, dismiss, accept the resignation of, or otherwise affect the employment status of a district employee and shall identify the title of the affected position. The report shall be given at the public meeting during which the closed session is held, except that the report of a dismissal or nonrenewal of an employment contract shall be deferred until the first public meeting after administrative remedies, if any, have been exhausted. (Government Code 54957.1)

Negotiations/Collective Bargaining

Unless otherwise agreed upon by the parties involved, the following shall not be subject to the open meeting requirements of Brown Act: (Government Code 3549.1)

1. Any meeting and negotiating discussion between the district and a recognized or certified employee organization
2. Any meeting of a mediator with either party or both parties to the meeting and negotiating process
3. Any hearing, meeting, or investigation conducted by a fact finder or arbitrator
4. Any executive (closed) session of the district or between the district and its designated representative for the purpose of discussing its position regarding any matter within the scope of representation and instructing its designated representatives

The Board may meet in closed session, prior to and during consultations and discussions with representatives of employee organizations and unrepresented employees, to review the Board's position and/or instruct its designated representative(s) regarding salaries, salary schedules, or compensation paid in the form of fringe benefits of its represented and unrepresented employees, and, for represented employees, any other matter within the statutorily provided scope of representation. Prior to the closed session, the Board shall identify its designated representative in open session. Any closed session held for this purpose may include discussions of the district's available funds and funding priorities, but only insofar as they relate to providing instructions to the Board's designated representative. Final action on the proposed compensation of one or more unrepresented employees shall not be taken in closed session. (Government Code 54957.6)

The Board also may meet in closed session with a state conciliator who has intervened in proceedings regarding any of the purposes enumerated in Government Code 54957.6.

Agenda items related to negotiations shall specify the name(s) of the district's designated representative(s) attending the closed session. If circumstances necessitate the absence of a specified designated representative, an agent or designee may participate in place of the absent representative as long as the name of the agent or designee is announced at an open session held prior to the closed session. The agenda shall also specify the name of the organization representing the employee(s) or the position title of the unrepresented employee who is the subject of the negotiations. (Government Code 54954.5)

Approval of an agreement regarding labor negotiations with represented employees pursuant to Government Code 54957.6 shall be reported after the agreement is final and has been accepted or ratified by the other party. This report shall identify the item approved and the other party or parties to the negotiation. (Government Code 54957.1)

Matters Related to Students

If a public hearing would lead to the disclosure of confidential student information, the Board shall meet in closed session to consider a suspension, disciplinary action, any other action against a student except expulsion, or a challenge to a student record. If a written request for open session is received from the parent/guardian or adult student, the meeting shall be public, except that any discussion at that meeting which may be in conflict with the right to privacy of any student other than the student requesting the public meeting shall be in closed session. (Education Code 35146, 48912, 49070)

The Board shall meet in closed session to consider the expulsion of a student, unless the student submits a written request at least five days before the date of the hearing that the hearing be held in open session. Regardless of whether the expulsion hearing is conducted in open or closed session, the Board may meet in closed session for the purpose of deliberating and determining whether the student should be expelled. (Education Code 48918)

Agenda items related to student matters shall briefly describe the reason for the closed session, such as "student expulsion hearing" or "grade change appeal," without violating the confidentiality rights of individual students. The student shall not be named on the agenda, but a number may be assigned to the student in order to facilitate record keeping. The agenda shall also state that the Education Code requires closed sessions in these cases in order to prevent the disclosure of confidential student record information.

Final action on a student matter deliberated in closed session shall be taken in open session and shall be a matter of public record. (Education Code 35146, 48918)

However, in taking final action, the Board shall not release any information in violation of student privacy rights provided in 20 USC 1232g or other applicable laws. In an expulsion or other disciplinary action, the cause for the disciplinary action shall be disclosed in open session, but the Board shall refer to the student number or other identifier and shall not disclose the student's name.

Security Matters

The Board may meet in closed session with the Governor, Attorney General, district attorney, district legal counsel, sheriff or chief of police, or their respective deputies, or a security consultant or a security operations manager, on matters posing a threat to the security of public buildings; to the security of essential public services, including water, drinking water, wastewater treatment, natural gas service, and electric service; or to the public's right of access to public services or public facilities. Such discussions may be held in closed session during an emergency meeting called pursuant to Government Code 54956.5 if agreed to by a two-thirds vote of the Board members present, or, if less than two-thirds of the members are present, by a unanimous vote of the members present. (Government Code 54956.5, 54957)

Agenda items related to these security matters shall specify the name of the law enforcement agency and the title of the officer, or name of applicable agency representative and title, with whom the Board will consult. (Government Code 54954.5)

The Board may meet in closed session to consult with law enforcement officials on the development of a plan for tactical responses to criminal incidents and to approve the plan. Following the closed session, the Board shall report any action taken to approve the plan, but need not disclose the district's plan for tactical responses. (Education Code 32281)

Real Property Negotiations

The Board may meet in closed session with its real property negotiator prior to the purchase, sale, exchange, or lease of real property by or for the district in order to grant its negotiator authority regarding the price and terms of payment for the property. (Government Code 54956.8)

Before holding the closed session, the Board shall hold an open and public session to identify its negotiator(s), the property under negotiation, and the person(s) with whom the negotiator may negotiate. For purposes of real property transactions, negotiators may include members of the Board. (Government Code 54956.8)

Agenda items related to real property negotiations shall specify the district negotiator attending the closed session. If circumstances necessitate the absence of a specified negotiator, an agent or designee may participate in place of the absent negotiator as long as the name of the agent or designee is announced at an open session held prior to the closed session. The agenda shall also specify the name of the negotiating parties and the street address of the real property under negotiation. If there is no street address, the agenda item shall specify the parcel number or another unique reference of the property. The agenda item shall also specify whether instruction to the negotiator will concern price, terms of payment, or both. (Government Code 54954.5)

When the Board approves a final agreement concluding real estate negotiations pursuant to Government Code 54956.8, it shall report that approval and the substance of the agreement in open session at the public meeting during which the closed session is held. If final approval rests with the other party to the negotiations, the Superintendent or designee shall disclose the fact of that approval and the substance of the agreement upon inquiry by any person, as soon as the other party or its agent has informed the district of its approval. (Government Code 54957.1)

Pending Litigation

Based on the advice of its legal counsel, the Board may hold a closed session to confer with or receive advice from its legal counsel regarding pending litigation when discussion of the matter in open session would prejudice the district's position in the litigation. For this purpose, "litigation" means any adjudicatory proceeding, including eminent domain, before a court, administrative body exercising its adjudicatory authority, hearing officer, or arbitrator. (Government Code 54956.9)

Litigation is considered "pending" in any of the following circumstances: (Government Code 54956.9)

1. Litigation to which the district is a "party" has been initiated formally. (Government Code 54956.9(d)(1))
2. A point has been reached where, in the Board's opinion based on the advice of its legal counsel regarding the "existing facts and circumstances," there is a "significant exposure to litigation" against the district, or the Board is meeting solely to determine whether, based on existing facts or circumstances, a closed session is authorized. (Government Code 54956.9(d)(2), (3))

Existing facts and circumstances for these purposes are limited to the following: (Government Code 54956.9)

- a. Facts and circumstances that might result in litigation against the district but which the district believes are not yet known to potential plaintiff(s) and which do not need to be disclosed.
 - b. Facts and circumstances including, but not limited to, an accident, disaster, incident, or transactional occurrence which might result in litigation against the district, which are already known to potential plaintiff(s) and which must be publicly disclosed before the closed session or specified on the agenda.
 - c. The receipt of a claim pursuant to the Government Claims Act or a written threat of litigation from a potential plaintiff. The claim or written communication must be available for public inspection.
 - d. A threat of litigation made by a person in an open meeting on a specific matter within the responsibility of the Board.
 - e. A threat of litigation made by a person outside of an open meeting on a specific matter within the responsibility of the Board, provided that the district official or employee receiving knowledge of the threat made a record of the statement before the meeting and the record is available for public inspection. Such record does not need to identify an alleged victim of tortious sexual conduct or anyone making a threat of litigation on the victim's behalf or identify an employee who is the alleged perpetrator of any unlawful or tortious conduct, unless the identity of this person has been publicly disclosed.
3. Based on existing facts and circumstances, the Board has decided to initiate or is deciding whether to initiate litigation. (Government Code 54956.9(d)(4))

Before holding a closed session pursuant to the pending litigation exception, the Board shall state on the agenda or publicly announce the subdivision of Government Code 54956.9 under which the closed session is being held. If authority is based on Government Code 54956.9 (d)(1), the Board shall either state the title or specifically identify the litigation to be discussed or state that doing so would jeopardize the district's ability to effectuate service of process upon unserved parties or to conclude existing settlement negotiations to its advantage. (Government Code 54956.9)

Agenda items related to pending litigation shall be described as a conference with legal counsel regarding either "existing litigation" or "anticipated litigation." (Government Code 54954.5)

"Existing litigation" items shall identify the name of the case specified by either the claimant's name, names of parties, or case or claim number, unless the Board states that to identify the case would jeopardize service of process or existing settlement negotiations. (Government Code 54954.5)

"Anticipated litigation" items shall state that there is significant exposure to litigation pursuant to Government Code 54956.9(d)(2) or (3) and shall specify the potential number of cases. When the district expects to initiate a suit, items related to anticipated litigation shall state that the discussion relates to the initiation of litigation pursuant to Government Code 54956.9(d)(4) and shall specify the potential number of cases. The agenda or an oral statement before the closed session may be required to provide additional information regarding existing facts and circumstances described in item #2 b-e above. (Government Code 54954.5)

Following the closed session, the Board shall publicly report, as applicable: (Government Code 54957.1)

1. Approval to legal counsel to defend, appeal or not appeal, or otherwise appear in litigation. This report shall identify the adverse parties, if known, and the substance of the litigation.
2. Approval to legal counsel to initiate or intervene in a lawsuit. This report shall state that directions to initiate or intervene in the action have been given and that the action, defendants, and other details will be disclosed to inquiring parties after the lawsuit is commenced unless doing so would jeopardize the district's ability to serve process on unserved parties or its ability to conclude existing settlement negotiations to its advantage.
3. Acceptance of a signed offer from the other party or parties which finalizes the settlement of pending litigation. This report shall state the substance of the agreement.

If approval is given to legal counsel to settle pending litigation but final approval rests with the other party or with the court, the district shall report the fact of approval and the substance of the agreement thereon to persons who inquire once the settlement is final. (Government Code 54957.1)

Joint Powers Agency Issues

The Board may meet in closed session to discuss a claim for the payment of tort liability losses, public liability losses, or workers' compensation liability incurred by a joint powers agency (JPA) formed for the purpose of insurance pooling or self-insurance authority of which the district is a member. (Government Code 54956.95)

Closed session agenda items related to liability claims shall specify the claimant's name and the name of the agency against which the claim is made. (Government Code 54954.5)

Following the closed session, the Board shall publicly report the disposition of joint powers agency or self-insurance claims, including the name of the claimant(s), the name of the agency claimed against, the substance of the claim, and the monetary settlement agreed upon by the claimant. (Government Code 54957.1)

When the board of the JPA has so authorized and upon advice of district legal counsel, the Board may also meet in closed session in order to receive, discuss, and take action concerning information obtained in a closed session of the JPA that has direct financial or liability implications for the district. During the Board's closed session, a Board member serving on the JPA board may disclose confidential information acquired during a closed session of the JPA to fellow Board members. (Government Code 54956.96)

Closed session agenda items related to conferences involving a JPA shall specify the name of the JPA, the closed session description used by the JPA, and the name of the Board member representing the district on the JPA board. Additional information listing the names of agencies or titles of representatives attending the closed session as consultants or other representatives shall also be included. (Government Code 54954.5)

Review of Audit Report from California State Auditor's Office

Upon receipt of a confidential final draft audit report from the California State Auditor's Office, the Board may meet in closed session to discuss its response to that report. After public release of the report from the California State Auditor's Office, any Board meeting to discuss the report must be conducted in open session, unless exempted from that requirement by some other provision of law. (Government Code 54956.75)

Closed session agenda items related to an audit by the California State Auditor's Office shall state "Audit by California State Auditor's Office." (Government Code 54954.5)

Following the closed session, the Board shall publicly confirm that the report was reviewed and a response was prepared.

Review of Assessment Instruments

The Board may meet in closed session to review the contents of any student assessment instrument approved or adopted for the statewide testing system. Before any such meeting, the Board shall agree by resolution to accept any terms or conditions established by the State Board of Education for this review. (Education Code 60617)

Agenda items related to the review of student assessment instruments shall state that the Board is reviewing the contents of an assessment instrument approved or adopted for the statewide testing program and that Education Code 60617 authorizes a closed session for this purpose in order to maintain the confidentiality of the assessment under review.

Following the closed session, the Board shall confirm that the assessment instruments were reviewed. Any actions related to the review shall be taken in open session without revealing any proprietary or confidential information and shall be a matter of public record.
