Item was pulled by Ms. Lebsack who raised concerns regarding the approval of a no-cost community partnership agreement with California State University, Long Beach, for the placement of Master of Social Work (MSW) interns in the District. Ms. Lebsack questioned language in the agreement referencing student confidentiality and mental disabilities. Specifically, the reference to “student” under FERPA protections as potentially applying to minors rather than the university students it actually referred to. District staff clarified that the term “student” in the agreement pertained to the university interns, not K-12 students. Further concerns were raised about the definition of “mental disability” in the agreement, prompting a request for clarification from Long Beach State due to its potentially broad legal and clinical interpretations.

**Memorandum of Understanding
Between Santa Ana Unified School District
and
California School Employees Association and its Santa Ana Chapter 41**

Wellness/Self-Care Day

This Memorandum of Understanding (MOU) is entered pursuant to negotiations between the Santa Ana Unified School District (District) and the California School Employees Association and its Santa Ana Chapter #41 (CSEA), the parties agree to the following:

In support of employee wellness and recognizing the importance of occasional absences that support mental and physical wellbeing, the District agrees to provide each bargaining unit member with one (1) excused absence per work year without loss of pay for the purpose of personal wellness or self-care. The parties agree that these absences are subject to the following conditions:

1. Use Parameters

- a. The Wellness/Self-Care Day must be taken in a full-day increment; partial-day use is not permitted.
- b. The day may only be used on a Student-Free Day, Non-Duty Day, or another day deemed to have minimal impact on District operations, as approved in advance by the employee's immediate supervisor.
- c. The absence shall be deemed to be in the best interest of both the employee and the District when its purpose is for self-care and when such absence does not disrupt essential services.

2. Request and Approval Process

- a. A unit member shall request use of the Wellness/Self-Care Day in writing at least three (3) workdays in advance, unless an emergency makes such advance notice impossible.
- b. Use of Wellness/Self-Care Absences shall not be unreasonably denied, but may be rescheduled if the requested date would cause significant operational disruption.

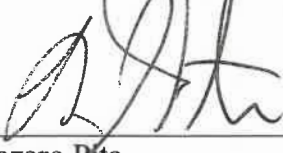

3. Limitations

- a. The Wellness/Self-Care Day shall not accrue from year to year.
- b. The day shall not be eligible for cash-out under any circumstance.
- c. The day shall be forfeited if not used by the end of the employee's work year or upon permanent separation from the District.
- d. This day is separate from sick leave, vacation leave, or personal necessity leave, and shall not be deducted from any other leave balance.

4. Term and Modification

- a. This MOU shall be subject to CSEA Policy 610 and shall become effective upon the date of its adoption by the Board of Education, and shall remain in effect for the 2025-2026 school year.
- b. This MOU is non-precedent setting and any modifications or amendments to this MOU shall be made in writing and require the mutual agreement of both parties.

**MEMORANDUM OF UNDERSTANDING
BETWEEN
SANTA ANA UNIFIED SCHOOL DISTRICT (SAUSD)
AND
SANTA ANA EDUCATORS' ASSOCIATION (SAEA)**

June 4, 2025

Impacts and Effects of the Reduction in Force

This Memorandum of Understand (MOU) is entered into by the Santa Ana Unified School District (District) and the Santa Ana Educators Association (SAEA). The issues addressed in this MOU clarify and resolve impacts and effects negotiations related to the reduction in force (RIF) and certificated layoff proceedings, occurring during the 2024-2025 school year, and staffing certificated positions while employees are on a reemployment list. The parties agree to the following:

1. Provision of Seniority and Rehire Lists

The District agrees to provide the Association with the most recent seniority list and the 39-month (permanent employees) and 24-month (probationary employees) rehire list in accordance with applicable provisions of the California Education Code. These lists will be updated and shared to support transparency in the reemployment process.

2. Education Code Supersedes Contractual Language

Both parties recognize that, where the collective bargaining agreement and applicable provisions of the California Education Code address layoffs and reemployment rights, the provisions of the Education code shall govern.

3. Transfer Criteria for Employees Affected by RIF

Voluntary transfers will be considered based on credential match, program needs, and available vacancies. Involuntary transfers will be based on seniority, credential authorization, and District staffing requirements, with consideration given to minimizing disruption to instructional continuity.

4. Particular Types of Service Affected by RIF

A teacher on special assignment, will have the option to remain at their current work site and participate in the SPIN process. Those who choose to decline this option will be added to the master displacement list. Instructional Coaches have the right back to their site and will participate in the site spin.

5. Service Opportunities During Reemployment Period

Employees with reemployment rights under Education Code sections 44956 and 44957 shall be eligible to serve in day-to-day substitute, long-term substitute, temporary leave replacement, and categorical assignments during the applicable 39- or 24-month

reemployment period. Service in any of these positions does not impact an employee's reemployment rights and does not constitute reinstatement. Once an employee's service in a long-term, temporary, or categorical assignment ends, they will return to the day-to-day substitute list in seniority order. Day-to-day substitute service does not alter the employee's standing on the reemployment list.

Effective July 1, 2025 the District will place all employees who received a final layoff notice on the substitute list for the duration of their reemployment rights. Employees who do not wish to be considered for substitute assignments may opt out by submitting a declination form through Informed K-12, which will be provided by the District.

Every attempt will be made to offer temporary and categorical assignments to the most senior eligible employees. Substitute assignments will be offered to permanent employees on the reemployment list before probationary employees on a reemployment list.

Employees with a PPS credential shall have priority rights to substitute, temporary and categorical employment opportunities which require a PPS credential. Every effort will be made to give opportunities for substitute service by PPS credential holders in positions that require a classroom teaching credential; however, the parties recognize there are some statutory maximum service levels for such assignments.

6. Reinstatement to Permanent Vacancies

During this period of reemployment, if vacant positions become available, employees shall be reinstated in order of seniority, provided they are credentialed and qualified to serve in the vacant position.

Following the displacement process, a position is considered a vacancy for the purposes of reassignment, displacement, or transfer only after all reemployment rights under Education Code sections 44956 and 44957 have been addressed. Positions temporarily filled due to employee leaves (e.g., medical, shared duty, or short-term reassignment) do not qualify as vacancies.

7. Reemployment Compensation

In accordance with Education Code section 44956(e), the daily compensation for qualifying **permanent** employees shall be the per diem rate on the applicable salary schedule (e.g., Class II, Step 4 for a permanent employee who was previously at Step 3). Qualifying probationary employees shall be compensated at the long term substitute rate. All other compensation for substitute or temporary work shall follow current contract provisions and past practice.

Employees with reemployment rights shall be given first priority for all substitute assignments, both day-to-day and long-term, before offers are extended to general substitute pool applicants not on a reemployment list.

8. Reemployment Offer and Notification Process

"Full Reemployment" means a return to the same work year, workday, and compensation the employee had prior to layoff with the classification of probationary or permanent status. When a vacancy occurs, the most senior, credentialed, and qualified employee on the reemployment list shall be notified by District email with the assignment.

Permanent certificated employees on the reemployment list have the right to defer reappointment to Full Reemployment for one school year. Probationary certificated employees on the reemployment list do not have the right to defer reappointment to Full Reemployment. The employee has 48 hours (excludes weekends and holidays) to accept or decline the offer and must complete the informed K-12 form. If an offer of Full Employment to a permanent employee is declined, the next qualified person will be contacted, and this process will continue until the position is filled or no eligible employees remain. If an employee fails to respond within 48 hours, the non-response will be treated as a rejection. A permanent employee who either rejects the offer of Full Reemployment or fails to respond will be deemed to have deferred reappointment for the school year. The District will notify the Association at the time of the offer.

9. Reassignment Meetings

If multiple vacancies arise close together, the District may hold a reassignment meeting and notify eligible employees by phone and/or email. The most senior qualified employees will be invited to the meeting and offered positions in order of seniority. SAEA representatives will receive prior notice and may attend.

10. Rejection of Offers

If the Full Reemployment offer was made via written notice through informed K-12, the employee must respond in writing. A failure to respond within 48 hours shall be treated as a rejection. Rejection by a probationary employee constitutes removal from the reemployment list. Rejection by a permanent employee is permissible for one school year; after one school year, any rejection by a permanent employee constitutes removal from the reemployment list.

11. Waiver of Reemployment Rights (12-Month Period)

Permanent employees may waive their reemployment rights for up to 12 months without prejudice by submitting written notice to the District. A waiver form is available from the Human Resources Department.

12. Limit on Reemployment Refusals

A permanent employee may decline two reemployment offers. The second refusal will be considered a waiver of reemployment rights. At that point, the employee must either accept the second assignment or they will be removed from the reemployment list.

13. Permanent Removal from Reemployment List

If, after waiving rights for one school year, a permanent employee refuses a subsequent

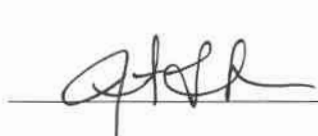

reemployment offer, it will be considered a full waiver of all reemployment rights. The employee will be permanently removed from the reemployment list. Written confirmation must be submitted to the District. If no written response is received within 48 hours, it will be treated as acceptance of the removal. The District will notify the Association of all declinations and removals within five (5) business days for tracing purposes. The District will notify the employee in writing that they have been permanently removed from the reemployment list.

Examples of permanent removal from reemployment list:

- An employee who waives for 2025–2026 and then refuses a reemployment offer in 2026–2027 will be removed from the reemployment list.
 - An employee who works as a substitute in 2025–2026 and then waives reemployment in 2026–2027 but refuses a subsequent offer will also be removed from the reemployment list.
 - A permanent employee could perform service as a substitute or temporary employee for the 2025-2026 school year and then waive reappointment for the 2026-2027 school year. If that permanent employee refuses a reappointment offer for the 2027-2028 school year, the reappointment refusal will be deemed a waiver of all reemployment rights, and the permanent employee shall be permanently removed from the reemployment list.
14. Each individual on the reemployment list shall be notified of the contents of this MOU, including the process for staffing from the reemployment list, and the impact of an employee's rejection of a reemployment offer.

This MOU will remain in effect until the reemployment list described herein is exhausted or this MOU is terminated or amended by mutual agreement of the parties.

This MOU is subject to approval of the Board of Education.
