11. SUPERINTENDENT'S REPORT

Superintendent Almendarez delivered remarks expressing deep appreciation for the commitment and compassion of all Santa Ana Unified School District (SAUSD) employees. He highlighted the important contributions of teachers and certificated support staff, for their academic and socio-emotional support; school principals, for their leadership and dedication in building strong school communities; school nutrition professionals, for their work in ensuring students are nourished and ready to learn; school nurses and LVNs, for championing student wellness; school police officers, for providing safe, supportive environments; and classified employees, for their essential roles in maintaining operations and student support. The Superintendent also acknowledged the significance of Día de las Madres (May 10) and Mother's Day (May 11),

recognizing the critical role mothers play in supporting student learning and community strength. He then addressed the ongoing dispute with the Orange County School of the Arts (OCSA), clarifying that SAUSD did not initiate litigation in 2019. Despite prevailing in a six-day trial in 2023, the District remains open to a reasonable and lawful settlement. The District has a legal obligation under California Education Code to collect public funds owed, which directly support vital services such as special education. SAUSD continues to seek a resolution that prioritizes students' best interests and fulfills the District's fiscal responsibility. Finally, the Superintendent acknowledged the Segerstrom High School Baseball Team, commending the student-athletes for their resilience, unity, and maturity during a difficult season. He affirmed the District's support and pride in their conduct and sportsmanship.

12. PUBLIC PRESENTATIONS

Mr. Bustos asked if there were any public presentations. Public speakers were present and addressed Layoffs, OCSA vs. SAUSD, Segerstrom High School Personnel Decision, Books, Curriculum, Ethnic Studies, Holocaust Center, Immigration, Arab Heritage Month, Antisemitism, and Resources for Teaching Tolerance and Acceptance.

CHANGE IN ORDER OF AGENDA TO BOARD REPORTS

16. BOARD REPORTS

Ms. Lebsack urged the Board to reconsider pursuing litigation against the Orange County School of the Arts (OCSA) and instead return to negotiations, arguing that SAUSD had approved OCSA's budgets and charter renewals from 2000 to 2019 without raising concerns over special education costs. She questioned the timing and fairness of a sudden \$19 million demand in 2019, suggesting earlier intervention could have prevented disruption to a high-performing school. She also noted demographic discrepancies in special education and English learner populations and recommended negotiating corrective measures to align OCSA with District demographics. Citing broader concerns about District governance, Ms. Lebsack referenced recent controversies and called for stronger oversight, transparency, and leadership to prevent recurring systemic issues.

Ms. Brazer Aceves addressed the emotional and structural challenges of the reduction in force (RIF) process, acknowledging the impact on educators, students, and the broader SAUSD community. Emphasizing that the RIFs are not merit-based but are due to financial constraints, including the expiration of COVID relief funds and declining enrollment. She clarified that decisions must comply with state Education Code mandates. She urged that the issue not be politicized and reaffirmed their commitment to minimizing harm while maintaining student support services. Ongoing efforts include meetings with County and City Officials, calls for legislative reform, pursuit of accurate funding mechanisms, scrutiny of contracts, and advocacy for state and federal support. Transparency, compassion, and collective problem-solving were emphasized as essential during this critical period.

Mr. Bustos announced that the Board has initiated conversation about the process to hire a new superintendent following Superintendent Almendarez's retirement. Emphasizing transparency and community engagement, Mr. Bustos invited input from students, families, and stakeholders. He also addressed community concerns over recent immigration enforcement near Santa Ana, clarifying that no incidents have occurred at any SAUSD schools and outlining the District's proactive support measures. Additionally, he responded to coordinated public comments about school library content, noting that many speakers were affiliated with external groups and not Santa Ana residents. He directed the Superintendent to issue a formal statement to clarify the record and reaffirm our District's commitment, to truth, transparency, and wellness of all of our students. Mr. Bustos condemned efforts to censor inclusive materials. He directed the Superintendent to bring forward a resolution at the next Board meeting to censure Board Member Brenda Lebsack for alleged violations of Board Policies including unauthorized actions, discriminatory remarks, and breaches of governance standards. The Board Policies (BP) cited were 0100, 0410, 5145.3, and Board Bylaws (BB) 9005, 9010, 9200, and 9270. The proposed censure seeks to uphold District values of inclusivity, transparency, and student safety, particularly for LGBTQ youth.

1 RESOLUTION NO. 24/25-3667

2 BOARD OF EDUCATION

3 SANTA ANA UNIFIED SCHOOL DISTRICT

4 ORANGE COUNTY, CALIFORNIA

5
6 Resolution Denouncing Hate Crimes and Bigotry Targeting Asian Americans
7 and Pacific Islanders
8

9 WHEREAS, The Asian Pacific Policy and Planning Council and Chinese for
10 Affirmative Action launched a hate incident-reporting internet website, titled "Stop
11 AAPI Hate," at the beginning of the COVID-19 outbreak in March of 2020, which
12 documented over 2,800 hate incidents against Asian-American Pacific Islanders (AAPI)
13 in 2020; and

14 WHEREAS, On January 30, 2021, 84-year-old Vicha Ratanapakdee, a nearly blind
15 and gentle elderly Thai man, died from injuries resulting from an attack while he was
16 walking in the City of San Francisco, in what is deemed as a hate crime; and

17 WHEREAS, On March 16, 2021, eight people (six being Asian, two white, all but
18 one being women) were gunned down by a white man in Atlanta, Georgia;

19 WHEREAS, These reports depict a disturbing reality, especially for Asian women,
20 who experienced violence nearly 2.5 times more than their male counterparts. However,
21 the numbers do not tell the full story: They don't include many of the unreported and
22 increasingly normalized incidents of violence; and

23 WHEREAS, Racism and anti-AAPI sentiments has been exacerbated by the COVID-19
24 pandemic and politically charged and culturally insensitive rhetoric referring to
25 COVID-19 as the "Chinese virus" or "kung flu" further encourages racism, prejudice,
26 and hate crimes against AAPIs; and

27 WHEREAS, Racism toward AAPIs has always existed ever since AAPIs began
28 immigrating to the United States, such as the 19th-century scapegoating of AAPIs,

29 also known as the "Yellow Peril," as well as the 21st-century scapegoating of AAPIs
30 for the COVID-19 pandemic. These examples are painful, but they are also part of a
31 larger, and often dismissed, history of violence. In addition to the Chinese Exclusion
32 Act of 1882, the assaults against Filipino farmworkers in the 1930s by white mobs,
33 and the Japanese internment camps of the 1940s, there's a longstanding history of
34 racialized colonial wars that have shaped AAPI communities' histories before AAPIs
35 even arrived in the United States; and

36 **WHEREAS,** The recent rise of violence against Asian Americans is part of a larger
37 history of violence against communities of color, we must work together to create
38 community centered solutions that stop the violence in all communities; and

39 **WHEREAS,** The model minority myth continues to divide communities of color, feed
40 into racism, and contributes to the false notion that the AAPI community does not
41 experience racial oppression or is impacted by white supremacy, which ignores the
42 AAPI community's experience with islamophobia, anti-Arab racism, and anti-South Asian
43 violence, especially post 9/11; and;

44 **WHEREAS,** The model minority myth also creates the stereotype that the AAPI
45 community is a monolithic group, a stereotype that invisibilizes the economic,
46 academic and social struggles of our diverse communities (i.e. Native Hawaiians,
47 Pacific Islanders, Southeast Asians, Arab-Americans, mixed-race Asians/Hapas,
48 undocumented Asians, Hmong students, etc.), which is why this resolution also
49 forcefully condemns the ideology of the model minority myth and dispels it due to its
50 role in hindering solidarity amongst communities of color; and

51 **WHEREAS,** the Santa Ana Unified School District Board of Education remains
52 committed to an Ethnic Studies program that highlights AAPI histories (along with
53 Black, Latinx/Chicanx and Native/Indigenous histories) so as to combat the anti-AAPI
54 racism being experienced by many AAPIs in our state and county; and

55 **WHEREAS,** the Santa Ana Unified School District Board of Education stands with
56 the Asian-American and Pacific Islander community and wishes to affirm its commitment

to the safety and wellbeing of Asian American students, staff and community members, and ensure they know they are not alone and that they can speak out to help stop the spread of bigotry; and

NOW, THEREFORE BE IT RESOLVED, that the Santa Ana Unified School District Board of Education calls on all residents and leaders to join us in condemning racist attacks against Asian Americans in all forms, and renewing our commitment to speak out against such attacks, defend and protect those targeted, and seek justice and accountability against those who commit hate crimes against AAPI members of our community; and

BE IT FURTHER RESOLVED that the Santa Ana Unified School District Board of Education denounces hate crimes, hateful rhetoric, and hateful acts against Asian Americans and Pacific Islanders, and works to ensure that AAPI students feel safe and welcome, both during this COVID-19 pandemic and beyond.

APPROVED AND ADOPTED by the Board of Education of the Santa Ana Unified School District on May 6, 2025, by the following vote:

**AMENDMENT TO EMPLOYMENT AGREEMENT
BETWEEN
SANTA ANA UNIFIED SCHOOL DISTRICT
AND
JERRY ALMENDAREZ, SUPERINTENDENT OF SCHOOLS**

THIS AMENDMENT to the Contract of Employment entered on the 6th day of May 2025, by and between the Board of Education of the Santa Ana Unified School District ("District") and Jerry Almendarez, Superintendent, ("SUPERINTENDENT"), for a term ending on June 30, 2026, is hereby amended as follows:

1. Per the Superintendent's employment agreement, the Board and the Superintendent shall have an annual planning retreat during which time the Board can receive an update on the progress of the District toward reaching established goals, hear from Board members, and develop goals and plans for the upcoming school year. The Board and the Superintendent shall hold the planning retreat by April 30 of each year to enable the Superintendent to receive input from the Board in a timely fashion in order to establish and communicate particular goals for the upcoming school year.
2. As stated in our mutual agreement dated April 2, 2025, the Annual Planning Retreat was rescheduled to take place during the Special Board Meeting on May 13, 2025, following its initial postponement due to layoff hearings. However, we are now in agreement that the Annual Planning Retreat will no longer be held as part of the May 13, 2025 meeting.
3. This amendment supersedes all previously stated dates concerning the Annual Planning Retreat in both the Superintendent's employment agreement and prior mutual agreement. Any future scheduling of the retreat, if necessary, will be mutually determined and confirmed in writing.

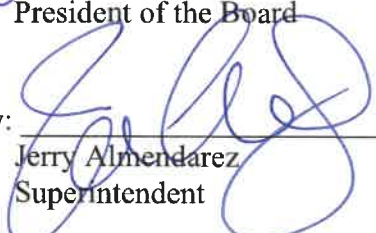

IN WITNESS WHEREOF, the parties have caused this Addendum to the Contract of Employment to be executed on the date set forth below.
