

ADMINISTRATIVE MEMORANDUM

STAFF INPUT IN DECISION-MAKING

| 3002.2

In order to create formal channels for staff input in decision-making and to foster collaboration between staff and administrators on issues relating to the operation of the schools, the Red Clay Consolidated School District hereby establishes the following working groups:

Discipline Working Group

The Discipline Working Group will deal with matters related to student discipline, including, but not limited to, modifications to the Student Code of Conduct; student attendance; discipline referral forms; discipline records; and the study of an alternative program for chronically disruptive students.

Grade Reporting and Procedures Working Group

The Grade Reporting and Procedures Working Group will deal with matters related to grading, including, but not limited to, grade reporting systems and procedures, and employee grade reporting materials.

Special Education Working Group

The Special Education Working Group will make recommendations to the Superintendent pertaining to the special education program, including, but not limited to, recommendations for compliance with the law.

In order to make such recommendations, the Special Education Working Group will be given access to the following information that is otherwise confidential to the collective bargaining process:

- All available information relevant to the application for special education funds;
- All available information as to the amount of funds received for special education; and
- All available information the District receives with regard to implementation of the program.

Technology Working Group

The Technology Working Group will review and oversee the District Technology Plan including the annual review of the Computer Use Policy and will make recommendations regarding technological needs to assist the educational mission of the District.

Professional Development Working Group

The Professional Development Working Group will make recommendations to the Superintendent pertaining to professional development including, but not limited to, content, follow-through, and evaluations.
