COLLEGE COUNSELING SCHOOL PROFILE

MISSION

The Lovett School is a community of belonging that develops students of honor, faith, and wisdom with the character and intellect to thrive in learning and life.

OUR APPROACH TO EDUCATION

At Lovett, our students find joy and purpose in learning by doing. Guided by our distinctive approach to whole child education, Lovett faculty immerse students in intellectually rigorous, hands-on learning environments that spark character development, individual passions, and social awareness. By design, we offer students the experiences that deepen their cognitive, emotional, and social skills while inspiring an enduring enthusiasm for learning.

IMPORTANT NOTE ABOUT THE CLASS OF 2026

The Class of 2025 was Lovett's largest class to date. Over the last decade, Lovett's senior class size has fluctuated between 130 and 150. This year's class is 162.

As you review our students' applications for admission, please keep in mind that there is more context (limited staffing, class availability, classroom space, and opportunities for advanced curriculum) to consider because of the impact of our historic/unprecedented growth in the Upper School.

PASS/FAIL OPTION FOR SENIORS

In order to encourage risk-taking, nurture student curiosity, shift student focus from grades to learning, and support student wellness, Lovett instituted a Pass/Fail option in the 2018-19 school year. Seniors who are enrolled in at least five academic classes may request to receive a Pass or Fail grade rather than a numerical grade for one course. If approved, the grade reported on the report card and transcript will be a P (70 or higher) or F (below 70). (This option is open only to seniors and only in the fall semester.)
