1. Parking on campus is a privilege - not a right. To park on campus, a student must have a parking permit, purchased from the school in the Main Office. The cost is $20. The money collected is deposited into the DHHS Student Activity Account. Once a permit is issued, park **ONLY** in your designated numbered parking space. **DO NOT** park in areas designated for staff, another student's parking space, visitor's parking, **NO PARKING** areas, or **FIRE LANES.**
2. **Students who purchase a parking pass in 2025-2026 and then exceed 10 UNEXCUSED events (absences + tardies) will have their parking privileges and spot assignment revoked.**
    a. **To be eligible for a parking pass a student must have less than 10 UNEXCUSED events AND must have at minimum a 2.0 cumulative GPA.** ***Parent Initial*** _____
3. After a parking permit is issued it is to be displayed by hanging from the mirror of the car's windshield. Parking permits are transferable from one vehicle to another (owned by the family). However, the parking permit is **NON-TRANSFERABLE** to another student. If the permit is lost or stolen, it must be repurchased for $5.
4. Parking spots will be monitored daily, weekly and monthly. If we conclude that you are not parking in your spot on a regular basis, we reserve the right to sell the spot to another student. Students will be given one warning and parent/guardian will be contacted. **A second offense will result in your vehicle being towed at the owner's expense.** ***Parent Initial*** _____
5. Drivers who enter or leave campus in a reckless or improper manner will lose their parking privilege. The speed limit on campus is **5 MPH** and monitored by Law Enforcement. Students are expected to follow all Kentucky traffic laws as well. **SCHOOL BUSES HAVE THE RIGHT OF WAY AT ALL TIMES. YOU ARE NOT PERMITTED TO CUT IN FRONT OF ONE TO LEAVE.** A valid Kentucky driver's license is required to obtain a Dixie Heights parking permit. All drivers must also have at least liability insurance.
6. **Students who have been suspended for Drug/Alcohol Use and/or Possession will immediately have their parking privileges revoked for the remainder of the school year.**
7. Students **MAY NOT** return to their cars during the day unless permission is granted from the office.
8. Should events occur which necessitate that a car be inspected, including the car's interior and trunk, the student shall consent to the inspection where sufficient cause exists in the judgment of the administration.
9. DHHS, the Kenton County Board of Education, and its employees are not liable for any theft or damage to any automobile or vehicle while on any school parking lot.
10. We do not have parking agreements with local businesses for student parking. If you choose to park there you could be towed.
11. We agree to abide by these rules and regulations if permission is granted to park at DHHS. **VIOLATIONS OF THE DRIVING AND PARKING REGULATIONS COULD LEAD TO LOSS OF PARKING PRIVILEGES.**

I have read and will abide by the Driving and Parking Regulations.
