

Volunteering

Thank you for volunteering your time and efforts to help make the elementary school experience an amazing one for all our children at Cold Spring!

The HSA has many opportunities for parents to get involved depending on what you are interested in, expertise you would like to share and the amount of time you have available. Whether you wish to chair a committee, be part of a committee or just help out at various events, there are many are opportunities, and all volunteers are welcome and much appreciated.

Please review the current list of Committees and contact any Committee Chairperson or Board Member to get involved or click on the link below to register your interest.

Please note that all volunteers must have valid clearances registered with Central Bucks School District before they can be cleared to volunteer at events involving students. Please click on the link below for information on clearances.
