

To Mountain Lakes High School Sophomores:

The New Jersey Board of Education has encouraged schools to instill in young people a sense of community, purpose, and service to society.

Mountain Lakes supports this concept by including a community service requirement as a part of our students' US History class sophomore year.

**Service hours must be completed by the end of a student's sophomore year. All service hour projects must be pre-approved in advance of the project due date by the US History Teacher and/or Mr. Fusco, the Social Studies Supervisor. Service hours are due on June 5th, 2026 for current sophomores.**
