KCSOS Professional Development Series

SERIES 2

Figuring Out Fluency (Math)

Procedural fluency is essential for students to develop a deep understanding of mathematical concepts and solve problems efficiently. This 2-day opportunity on "Seven Significant Strategies" to teach to students as they work toward procedural fluency. Participants will learn activities, fluency routines, and games that encourage student learning to be efficient, flexible, and accurate, the essentials to real fluency. Reflection questions, connections to mathematical standards, and techniques for assessing all components of fluency will also be discussed.

DATES

**11/15/2025 &
12/13/2025**

8:00 AM - 2:00 PM

Units
Only

REGISTER HERE

1 UNIT

MUST ATTEND BOTH DAYS
