Greetings Sellwood Families,

Tuesday night we held our yearly Ambassador Awards at the Willamette Masonic Lodge to honor 38 students. Each year, teachers nominate students in all three grades for Academic Progress, Citizenship, Leadership, and Self-Improvement. The Willamette Masonic Lodge hosts us each year and provides students, families, and invited guests to a delicious Italian meal, followed by an awards presentation. We want to thank our students, staff, and the Masonic Lodge for making this happen. Thank you also for parents, family, and friends for attending. We are very proud.

Remember to keep checking the calendar because every day has something going on. Don't forget about the Marimba concert tonight at 7:00 in the big gym. We hope you have a great week full of sun!

Thanks for all you do to support our students and our school.

A number of students have requested an after school dance, so the student council has decided to take this on and plan a school dance for Thursday, May 26th. The theme will be "The Periods: 60's to 90's", and will run from 6:45 p.m. to 8:15 p.m. in the school's big gym.

Tickets for the dance will go on sale May 9th and can be purchased in the student store in the mornings or from student council members at lunch in the cafeteria. The cost will be \$3.00. Tickets will not be sold the evening of the dance.

There are a lot of things that need to occur to make this dance happen. We need parent chaperones. There are chaperone spots both in and outside of the dance. If you have a current district volunteer background check and interested in chaperoning - please contact Dr. Breaker at [jbreaker@pps.net](mailto:jbreaker@pps.net). Additionally, if you have LED light stings you can loan for decorating the dance please contact Dr. Breaker. We are seeking 6-10 light strings.

We want this to be a fun and safe dance for all students attending. The student expectations for the dance include:

- There is to be no grinding, "freak dancing" or sexual dancing, and no mosh pits.
- There is to be no lifting of other students off the ground.
- School dress code applies.
- Students cannot leave the school at any time. If a student leaves, they cannot return.
- No loitering on the grounds. Students must vacate the school grounds when the dance ends.
- Students may not bring food or beverages into the school or dance.
- Purses, backpacks, and other bags are not allowed.
- There will be no access to lockers during the dance.
- Electronic devices off and away during the dance.

**From the PPS TAG Department**

The PPS Department of Talented and Gifted Education is now accepting essays from students who have a passion for science and are identified as TAG. Two students will be selected for the quality and content of their essay and will have the opportunity to attend a summer camp offered by OMSI, at NO COST. We will accept scholarly essays from current 5th and 6th graders only. This competition is open to all schools and requires the student to write a one page essay describing

how science has impacted their life and how they plan to study science to help make the world a better place. Also, each essay will need to include why he or she wants to study a specific area of expertise offered this summer at OMSI. All essays are due to the Department of Talented and Gifted Education by May 15th, 2016.

Please spread the word to your 5th and 6th grade students!
