Find providers, virtual care options and care support programs using the Find Care tool located within BCBSND.me.

This chart presents a brief explanation of the covered services and payment levels of this product. It should not be used to determine whether your dental expenses will be paid. The written benefit plan governs the benefits available. For further details of the coverage, including exclusions, reductions or limitations and the terms under which the benefit plan may be continued, see your sales and account executive or write to Blue Cross Blue Shield of North Dakota. For the list of exclusions and limitations, refer to the written benefit plan.

This information is available to individuals with disabilities in alternate formats, free of charge, by calling Member Services at 844-653-4056 (toll-free) or through the North Dakota Relay at 800-366-6888 or 711.

United Concordia Companies, Inc. is an independent company providing dental benefit administrative services and access to a provider network for Blue Cross Blue Shield of North Dakota dental products.

Self-funded groups: This dental plan is that of your employer. Blue Cross Blue Shield of North Dakota is serving only as the claims administrator.
