Fire School 2025

Fire School 2025 was awesome! YHS took 15 students this year. We were the smallest school that attended and had the largest amount of students! Go YHS! We dug fire line, laid hose, used pumps, and learned about first aid and communications. On Friday, we got to do compass & pacing, sling sand, and attempt a red card hike.

Truck Simulator

Aaron Towne, the Work Based Learning Coordinator from UCC, brought a truck simulator for the students to check out. The “visuals” were from actual street views in Coos Bay.

District Priorities

1. Each student will enjoy positive, engaging learning environments.
2. Each child will possess the knowledge and skills necessary to be successful in post secondary education and careers, and the self-reliance to be a productive citizen.
3. A strong sense of community is recognized and nurtured among all stakeholders
4. Facilities and finances are managed effectively and efficiently for the benefit of each child.

CTE SIGNING DAY

On Thursday, April 10th, seniors from across the county attended Umpqua Community College's CTE Signing Day 2025. The ceremony, held at Jacoby Auditorium, was part of a national signing day event of the National Coalition of Certification Centers (NC3) and is in the spirit of the national signing day for college athletes. Here, students signed letters of intent across a variety of programs and trades, that will begin their journey towards earning a degree or certificate at UCC, paving the way for a fulfilling career.

This year's Yoncalla Seniors in attendance included:

Ashlyn Ellis: Early Childhood Education
Tristan McMullin: Welding
Danielle Melvin-Hunt: Pre-Vet/Pre-Medicine
Kaitlynne Ramos: Pre-Vet/Pre-Medicine
Lilyana Reyes-Gray: Psychology
Seth Wells: Automotive

We are very thankful for the relationships developed at Umpqua Community College between their staff and our students, and are excited for more opportunities in the future.
