Canvas for Families

South Adams Schools

● Access Canvas on the South Adams website - www.southadams.k12.in.us. Canvas can also be accessed using the Canvas Student app for iOS or Android. When prompted to search for our school, enter “southadams”.

● Enter your child’s username and password.

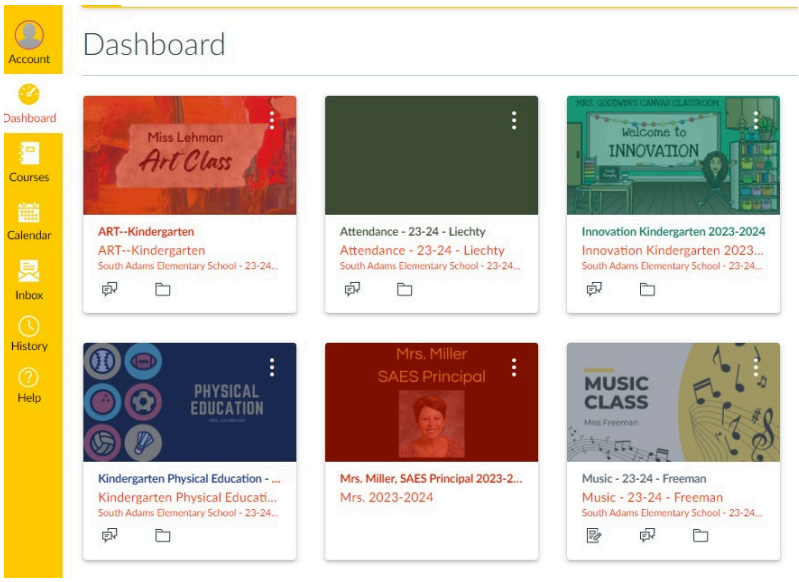

Families - You can create a Parent Canvas Account. This will allow you to view and observe your child’s Classes.

Elementary:
Username: five-digit student number
Password: five-digit student number

Middle and High School:
Username: five-digit student number
Password: school laptop password

● You will now see the Dashboard. This is where they will access their classes throughout the day. You can Return to the “Dashboard” on the Left side of the screen any time.

eLearning Day Schedule

During an eLearning day students will attend each class they would attend if they were at school. Students will use the Dashboard to navigate between classes and locate their eLearning assignments for the day. Students will complete the work online or on paper. Due dates are included in each assignment.

If students have questions, they should contact their teachers. Tech support is available Monday - Friday from 8:00 a.m. - 3:00 p.m.
