

Anime Club Contract:

2025 - 2026

I, the undersigned, do hereby acknowledge that being in the Anime Club is a privilege and not a right and I must follow the following rules:

- Because this is an after-school activity, I must follow all school rules that are laid out in the code of conduct.
- I must treat all students with respect and have patience with those whose opinions are different than my own.
- I must ask to leave the room for some reason.
- I understand that I may need to bring supplies from home to complete projects.
- I understand that my grades are more important than Anime Club and that if my grades start to fall, my time can be better used for bettering my grades.
- I know the rules laid out above can be changed and if they are changed, I will be updated on them.
- I must wait until the announcement to leave 7th period for Anime Club.
