**PARENT PROTOCOL FOR THE PROBLEM SOLVING PROCESS**

Although we strive for collaboration at all times, parents/guardians may require additional assistance in resolving a situation. Please familiarize yourself with SBISD’s general problem-solving process which includes:

1. Contact the appropriate campus staff member immediately. The most direct route to resolving a concern is to confer directly with the person involved. (Example: If the concern is related to the classroom, the teacher should be the person contacted.)
2. If not satisfied, contact the appropriate administrator (SEE STAFF LIST ON PAGE 2) in charge of the campus and responsible for concerns that may arise from the school’s operation. Explanations of policies and procedures, various clarifications and all types of campus information are available at the campus level.
3. Contact the appropriate central office administrator within a week. This may be a Director, Executive Director, Community Superintendent, or Associate Superintendent. This step should be taken only when steps 1 and 2 have not resolved the concern.

**ATTENDANCE PROCEDURES:**

**All absences must be verified by a parent with a written note, including email. Notice must be given to the office within two (2) days for the absence to be excused.** Notes may be sent via email from the email associated with the parent account to: [tania.perezcoronado@springbranchisd.com](mailto:tania.perezcoronado@springbranchisd.com) Each day the student is absent from school, parents are requested to contact the school office no later than 9:00 a.m. to report the student's absence and follow up with a written note.

**Excused Absences:**

Refer to SBISD Student/Parent Handbook online at:  
<https://www.springbranchisd.com/studentsfamilies/handbooks>

Any student absent five (5) consecutive days or more because of illness will be required to submit a statement signed by a medical doctor. All notes may be subject to verification by the campus administration. If the student has an excessive number of excused absences, the principal may request a note from the doctor for all future absences.

**CHANGE OF ADDRESS OR TELEPHONE NUMBER:**

Changes in either address or telephone number must be given to the registrar as soon as possible in writing with a parent signature. It is imperative that the school has accurate and current contact information in the event of an emergency.

**CAMPUS DISCIPLINE**

Disciplinary measures used in the district include parent conferences, lunch and after school detention, assignment to the SOMS In School Suspension (ISS), Out of School Suspension (OSS), Disciplinary Alternative Education Program (DAEP), Restorative Justice, and expulsion. Upon return from DAEP, a parent must accompany a student for a conference with the grade level principal.

This includes school activities, at bus stops and on your way to and from school.**

In ISS students are expected to complete academic assignments and follow the established ISS room rules. Teachers will visit students in ISS for instruction. On days that a student is assigned ISS they may not participate in any school related events for that day and must leave campus at the end of the school day unless the student also is assigned to after school detention. Students who do not comply with the ISS room expectations will receive further consequences from their grade level AP.

### **No Go List:**

Administrators, working with teachers, reserve the right to preclude students from attending campus events due to patterns in behavior and/or discipline infractions.

### **Hall Passes and Hallway Behavior:**

Students cannot learn if they are not in the classroom, therefore, hall passes will be kept to a minimum. All students must have an official hall pass that is filled out completely by the teacher and display their student ID before they leave the classroom during instructional time. *A pass from one place to another does not give students permission to loiter in the halls or the restrooms.* The student who is not in direct route to the destination the pass designates may receive disciplinary action.

The changing of classes must be done in an orderly and quiet manner. Keep to the right and proceed directly to your destination. Students who are not on a direct route to their assigned classes may get a discipline consequence. Students must not stop in the hallways during the passing period. There should be no shouting, running, whistling, loud talk, or boisterous conduct in the halls at any time. Halls are off limits during lunch hours.

In the event a student is tardy to a particular class, including first period, the student will be assigned to a detention. **If a student is tardy to class today the student will be assigned lunch detention tomorrow. The student is responsible for knowing that if they are tardy they have detention the next day.** Students will report directly to A212 when the lunch bell rings. Lunch detention will start promptly and will run for 15 minutes at which time they will be released to the cafeteria to eat. If a student is assigned lunch detention and does not attend, they will be assigned further consequences.
