**Required Public Meeting**

**School Improvement Turn-Around Plan Development**

October 28, 2025 at 5:00 p.m.

Wharton Elementary School

2030 E. Boling Hwy

Wharton, Texas

Purpose: Obtain Stakeholder Input

Audience: Parents, Students, Staff, & Community Members

Wharton Elementary School and CG Sivells Elementary (paired campus) are required to develop a comprehensive plan to improve student performance due to being Federally identified as needing Targeted Support and due to 2 consecutive years of Unacceptable Ratings on State Accountability. The District Improvement Team has met to develop a draft plan based on a Local Needs Assessment and input gathered from our August Community Forum. WISD is now seeking input from additional stakeholders to ensure we have a robust plan in place. If you are not able to attend the meeting and would like to provide input, please contact Molli Bodungen, District Coordinator of School Improvement, at [mbodungen@whartonisd.net](mailto:mbodungen@whartonisd.net) or by phone at 979.488.2035.

Wharton ISD is committed to providing the best educational experience possible for each and every student within our district. We value your concerns, feedback, and look forward to hearing your ideas.
