

# COUNSELOR'S CORNER

"THE FUTURE DEPENDS ON WHAT YOU DO TODAY." — MAHATMA GANDHI

## YOUR FUTURE!

EVEN IN MIDDLE SCHOOL, YOU'RE BUILDING THE FOUNDATION FOR YOUR FUTURE. WHETHER YOU WANT TO GO TO COLLEGE, JOIN THE MILITARY, START A TRADE, OR EXPLORE OTHER OPTIONS, LEARNING ABOUT DIFFERENT PATHS NOW GIVES YOU MORE CHOICES LATER. IT'S NEVER TOO EARLY TO START THINKING ABOUT WHAT EXCITES YOU!

## TIP!

Ask an adult about their job. Whether it's a teacher, parent, or family friend, find out what they do, what they love about it, and what challenges they face.

## CHALLENGE!

Choose one career you're curious about and research two cool facts about it — education needed, average salary, or interesting daily tasks.

## DID YOU KNOW?!

By the time you graduate high school, there will be hundreds of different paths open to you — from college degrees to apprenticeships to certifications. Exploring your interests now helps you make informed choices later.
