

ADDENDUM NO. 01

Nutrition Services- Dishwasher Replacement at 10 Sites Project No. 5310-7034-895-59

Issued October 16, 2025

This addendum issued on the above date sets forth additional answers for this project. Questions regarding the following listed changes should be directed to: Aaron Stroud; astroud@lodiussd.net.

Questions/Answers:

1. Will Ecolab come and calibrate the chem pump after installation?
 - We will take care of removing and reinstalling the chemical equipment. SFS Pac will remove and install their equipment when the job is completed. We just need about 1-2 weeks' notice.
2. Please provide pictures of dishwasher units and surroundings at all sites so we can determine the extent of counter fabrication.
 - Please see photos provided below for each site.
