

PEANUT & TREE NUT-FREE SNACKS

- Always read each ingredient and allergen statement before purchasing because product ingredients and packaging may change.
- A product that "may contain traces of nuts," or is "made on shared equipment," or is "made in a facility that processes nuts" is NOT safe.
- Purchase only the listed brand names, as these have been researched to be reliable for labeling.
- All snacks must come in the original, unopened packaging

It is **NOT** safe if it has the following listed:

PEANUTS, TREE NUTS, SUNFLOWER OIL/SEEDS, CHICK PEAS, GREEN PEAS, MANGO, PEACHES, PROCESSED IN A FACILITY WITH NUTS, OR MAY CONTAIN TRACES OF NUTS
