Catholic Central - College Funding Night

Who: All Families

Where: Zoom Virtual Webinar

When: Wednesday October 29th at 7pm

With the cost of college increasing by more than twice that of average incomes on a yearly basis, it's critical to find ways to go "Beyond the 529" when paying for college. Join us where we will demystify the financial aid process and show you strategies to get accepted and pay for college the right way!

Topics include:

- Understanding Types of Financial Aid and FAFSA Changes
- How to help your student understand the costs of college
- Strategies to get more financial aid
- Utilizing Student Loans Effectively
- What to do if you make too much money to qualify for financial aid
- How to position your student to get accepted to their top schools, and pay as little as possible
- How to go "Beyond the 529" and pay for college the right way
