Points of Pride

- Hosted Showdown at Sundown - first outdoor volleyball match for an Ohio high school, increased from eight to 20 teams in its second year.
- After-school programming at all buildings, serves 400 students with homework help, is a safe place for students after school, and provides additional learning opportunities.
- More than 1,500 students attended 10 free academic summer camps including kindergarten readiness, foreign language, STEM, art, reading, guitar building, and more.
- New Freshman Academy at Newark High School.
- New Alternative Academy through Newark High School.
- Key Club raised \$5,557 through its annual WildcatThon event to benefit families dealing with childhood cancer.
