Board of Control

Board of Control-Executive Director Relationship

The School Board directs, through policy, the Executive Director in his or her charge of the administration of the District by delegating its authority to operate the District and provide leadership to staff. The Board employs and evaluates the Executive Director and holds him or her responsible for the operation of the District in accordance with Board policies and State and federal law.

The Board of Control-Executive Director relationship is based on mutual respect for their complementary roles. The relationship requires clear communication of expectations regarding the duties and responsibilities of both the Board and Executive Director.

The Board of Control considers the recommendations of the Executive Director as the District Chief Executive Officer. The Board of Control adopts policies necessary to provide direction for the District and to encourage achievement of District goals. The Executive Director develops plans, programs, and procedures needed to implement the policies and directs the policies and directs the District's operations.
