Notice of Public Meeting –Notice of Special Session
Governing Board Room
Coronado High School
7501 E. Virginia Avenue
Scottsdale, AZ 85257

NOTICE OF PUBLIC MEETING ON NOVEMBER 13, 2025
TO DISCUSS POSSIBLE SCHOOL CLOSURE(S)/REPURPOSING

Notice is hereby given pursuant to A.R.S. § 15-341(32) that a public meeting will be held on November 13, 2025 at 6:00p.m. in the Governing Board Room located at Coronado High School located at 7501 E. Virginia Avenue, Scottsdale, AZ 85257.

The purpose of this meeting is to obtain public comment regarding the potential closure and repurposing of Echo Canyon K-8 School and Pima Elementary School.

The District administration is recommending that the Governing Board consider the potential closures/repurposing of Echo Canyon K-8 School and Pima Elementary School due to declining student enrollment. Both campuses are under 300 students: Echo Canyon K-8 School currently has 264 students in its K-8 programming; Pima Elementary School currently has 296 students in its K-5 programming. The proposed closures/repurposing would assist the District with potential budget shortfalls.

The District has begun exploration regarding proposed placement of alternative programs to benefit Scottsdale Unified students at both campuses. Preliminary discussions include the creation of an early childhood center at Echo Canyon K-8 School and specialized programming for special education students at Pima Elementary School.

At this public meeting, attending members of the Governing Board of the Scottsdale Unified School District will hear reasons for or against the repurposing/closure of the schools. Speakers will be limited to two (2) minutes. Speakers must be present to provide comment and cannot yield their time to another individual.

The District is hereby notifying affected parties of the proposed school repurposing for the 2026-2027 school year.

The Governing Board **will not** be voting at the public hearing on November 13, 2025.

The District intends to schedule a vote on the potential school closure(s) at the regularly scheduled Governing Board meeting on December 9, 2025.
