Education of Homeless Children

Each child of a homeless individual and each homeless youth has equal access to the same free, appropriate public education as provided to other children and youths, including a public pre-school education. A homeless child may attend Lake County High Schools Technology Campus if the child attended when permanently housed or in which the child was last enrolled in a Member District. A homeless child living in any Member District's attendance area may attend that school.

The Executive Director or designee shall review and revise rules or procedures that may act as barriers to the enrollment of homeless children and youths. In reviewing and revising such procedures, consideration shall be given to issues concerning transportation, immunization, residency, birth certificates, school records and other documentation, and guardianship. Transportation shall be provided by the member school district in accordance with the McKinney Homeless Assistance Act and State law.
