

Triennial Assessment Report: Agua Dulce ISD (4/2025)

District: AGUA DULCE ISD

Introduction

The USDA's Finale Rule for Local School Wellness Policy Implementation requires that all school food authorities complete a review of their local school wellness policy every three years- that is "triennially". The school food authority will compare their school wellness policy to a model policy; assess their district compliance in both policy and practice with the federal requirements and any additional; requirements that are in their wellness policy; document their progress towards meeting wellness goals and share their progress with the public during their next administrative review.

Strong Policies and Aligned Practices

The district shall implement, in accordance with law, a coordinated school health program with a nutrition education component. The district's nutrition promotion activities shall encourage participation in the National School Lunch Program, School Breakfast Program, and any other supplemental food and nutrition programs offered by the district. The district established the following goal for nutrition promotion: the food service staff and teachers and other district personnel shall consistently promote healthy nutrition messages in cafeteria, classrooms and other appropriate settings.
