

Pottsgrove Winter Sports Athletic Registration

Available for students who will be in Grades 7-12 in the 2025-26 school year.

Dear Pottsgrove Families,

Registration for 2025-26 Pottsgrove Interscholastic Winter Sports Season is now open. Registration is online only.

Throughout the 2025-26 school year, the Athletic Department is utilizing [Student Central](#) for all athletic registrations. The student-athlete and parent/guardian must complete this online registration to participate in interscholastic sports at Pottsgrove School District. This online registration platform will allow students and families who will be in grades 7-12 during the 2025-26 school year to register for sports and complete all required athletic department forms including PIAA CIPPE Sections 1-8 (athletic physical exam forms need to be uploaded once completed). *The athletic department will no longer collect paper forms.*

REMINDER: All students must have a completed Athletic Physical signed by the doctor on or after May 1, 2025 to participate.

Important Mandatory Athletic Winter Sports Participation Start Dates:

High School

Friday, November 14th November 15th: Girls/Boys Basketball Tryouts

Monday, November 17: Swimming, Bowling, Freshman Basketball, and Wrestling Winter Track

Tuesday, November 18: Unified Bocce

Please make sure when you create your account that you select the correct school: **Pottsgrove School District.**

It is recommended that the parent/guardian create their account first, and then create and link the student account together. Please make sure both the parents and students sign all the required areas of the forms.

If the entire registration process is not complete and approved, student athletes will not be able to participate and try out.

What would I do if I Participated in Fall Sports?

If you participated in a Fall Sport you must complete the PIAA Recertification Process. Please log onto your account and complete/sign the Section 7 Recertification By Parent/Guardian.

Below is information for students and families on how to set up their accounts and complete their registrations. We recommend that when possible, all students utilize their school district-issued email when setting up their account.
