Subject: Sexual Health And HIV/AIDS
Prevention Instruction

The Governing Board desires to provide a well-planned, integrated sequence of medically accurate and inclusive instruction in comprehensive sexual health and human immunodeficiency virus (HIV) prevention.

The district shall respect the rights of parents/guardians to supervise their students' education on these subjects and to impart values to their children regarding human sexuality.

As specified in the accompanying administrative regulation, the district shall strive to provide students with the knowledge and skills necessary to protect them from risks presented by sexually transmitted infections, unintended pregnancy, sexual harassment, sexual assault, sexual abuse, and human trafficking; to have healthy, positive, and safe relationships and behaviors; to understand sexuality as a normal part of human development; and to develop healthy attitudes and behaviors concerning adolescent growth and development, body image, gender, gender identity, gender expression, sexual orientation, relationships, marriage, and family. (Education Code 51930-51939)

Each student in grades 7-12 shall receive comprehensive sexual health and HIV prevention education at least once in junior high or middle school and at least once in high school unless the student's parent(s)/guardian(s) opt the student out of such instruction as specified in "Parent/Guardian Notification and Opt-Out" in the accompanying administrative regulation. (Education Code 51934)

General Criteria for Instruction and Materials

The Superintendent or designee shall ensure that the district's comprehensive sexual health and HIV prevention education and the associated materials: (Education Code 51930, 51933)

1. Are age appropriate
2. Are medically accurate and objective
3. Are aligned with and support the following purposes:
 - a. To provide students with the knowledge and skills necessary to protect their sexual and reproductive health from HIV and other sexually transmitted infections and from unintended pregnancy
 - b. To provide students with the knowledge and skills they need to develop healthy attitudes concerning adolescent growth and development, body image, gender, sexual orientation, relationships, marriage, and family
 - c. To promote understanding of sexuality as a normal part of human development
 - d. To ensure students receive integrated, comprehensive, accurate, and unbiased sexual health and HIV prevention education and provide educators with clear tools and guidance to accomplish that end
 - e. To provide students with the knowledge and skills necessary to have healthy, positive, and safe relationships and behaviors
4. Are appropriate for use with English learners, students with disabilities, and students of all

- racess, genders, sexual orientations, and ethnic and cultural backgrounds
5. Are available on an equal basis to a student who is an English learner, consistent with the existing curriculum and alternative options for an English learner as otherwise provided in the Education Code
 6. Are accessible to students with disabilities, including, but not limited to, the provision of a modified curriculum, materials, and instruction in alternative formats and auxiliary aids
 7. Do not reflect or promote bias against any person in protected categories of discrimination pursuant to Education Code 220
 8. Affirmatively recognize that people have different sexual orientations and, when discussing or providing examples of relationships and couples, shall be inclusive of same-sex relationships
 9. Teach students about gender, gender expression, and gender identity, and explore the harm of negative gender stereotypes
 10. Encourage students to communicate with their parents/guardians and other trusted adults about human sexuality and provide the knowledge and skills necessary to do so
 11. Teach the value of and prepare students to have and maintain committed relationships such as marriage
 12. Provide students with the knowledge and skills they need to form healthy relationships that are based on mutual respect and affection and are free from violence, coercion, harassment, and intimidation
 13. Provide students with the knowledge and skills for making and implementing healthy decisions about sexuality, including communication and refusal skills to assist students in overcoming peer pressure and using effective decision-making skills to avoid high-risk activities
 14. Do not teach or promote religious doctrine

Additionally, the district's comprehensive sexual health education program shall include information on the affirmative consent standard. Affirmative consent is defined as affirmative, conscious, and voluntary agreement to engage in sexual activity. Teachers delivering such instruction shall consult information related to sexual harassment and violence in the state health curriculum framework. (Education Code 51225.36, 67386)

The Superintendent or designee shall identify appropriate methods for informing parents/guardians about subjects related to the district's comprehensive sexual health and HIV prevention education. The Superintendent or designee shall use such identified methods to inform parents/guardians of students in grades 6-12 about human trafficking prevention resources, as required pursuant to Education Code 49381.

Parent/Guardian Notification and Opt-Out

At the beginning of each school year or at the time of a student's enrollment, parents/guardians shall be notified, in the manner specified in the accompanying administrative regulation, that they
