

ALL work needs to align with 3 Goals: Academic Achievement, College and Career Readiness, and Cultural Identity and Awareness

Goal	Objective/Task	Description
1. Increase Academic Achievement (B)	Culturally Responsive Counseling	Students meet with counselors each grade period; more frequently if GPA < 2.0, chronic absences, or failing grades
	Culturally Responsive PD	K–12 teachers trained in culturally relevant Native curriculum; staff attend instructional/data-sharing conferences
	Parent Involvement	Parents attend conferences; home visits provided for support with portal, academic strategies
	Summer School	Available to 506-form students; literacy/math taught through cultural identity programming
	Cultural Literacy Materials	Culturally relevant books/materials for home use, based on survey interest
2. Increase College & Career Readiness (I)	Career & College Preparation	Students (Grades 5–12) use Naviance for goal setting and tracking; tutoring support included
	Academic Enrichment	Participation in school or community enrichment programs; some require materials
	Culturally Responsive Counseling	Same as listed under Goal 1
	Mentoring	Native mentors support students in goal setting, higher ed navigation
	Gifted & Talented Access	Students engage in GATE opportunities aligned to interests (in/out of school)
	Parent Involvement	Parents supported with college apps, scholarships, academic navigation
3. Increase Cultural Identity & Awareness (C)	Mentoring	Students connect with Native mentors to build cultural identity and confidence (Same as Goal 2, included again for alignment)
	Cultural Literacy Materials	Culturally-based resources for home literacy development and cultural connection (Same as Goal 1, included for alignment)
	Indian Education	Student participation in community-led education on Native history, language (e.g., NAC, ARC, SNAHC)
	Summer School	(Same as Goal 1, included again for alignment)
