

Sunset Elementary

SCHOOL IMPROVEMENT PLAN

OVERARCHING GOAL

Sunset will improve student success by increasing attendance, strengthening inclusive high-quality instruction, making social-emotional learning a consistent part of every student's school experience, and providing targeted academic support to ensure all students grow and thrive.

GOAL 1

We will increase overall student attendance with a specific focus on reducing chronic absenteeism (students missing 10% or more of school days) .

STUDENT OUTCOMES

- 1.Students will express the importance of school and say they want to be here every day.
- 2.Students will arrive at school on time.

GOAL 2

We will strengthen student social-emotional competencies by embedding SEL practices into daily instruction and schoolwide culture.

STUDENT OUTCOMES

- 1.Students will feel a sense of belonging in class and in shared spaces.
- 2.Students will be able to use our common brain language to describe their emotional status.

GOAL 3

We will have 100% of 1st-5th Grade students make one year's growth when comparing Fall iReady scores to Spring; and 70% of our students will meet their stretch growth indicated by iReady diagnostic. We will do this by strengthening Tier 1 instructional practices; ensuring that 100% of classrooms implement consistent, high-quality core instruction; and implementing a building-wide walk to model of intervention and enrichment.

STUDENT OUTCOMES

- 1.Students will read fluently in a grade-level text.
- 2.Students will be highly engaged in their learning.
