

EAGLE NEWS

Anderson Island Elementary

October 17, 2025

Good afternoon Eagle Families,

We had an awesome week here at school, highlighted by our visit to Schilter Farms Pumpkin Patch on Thursday. It was a ton of fun — the kids had a blast, and we are so grateful for all of the chaperones who helped and attended the field trip. That kind of community support is what makes Anderson Island Elementary so special. Our Eagles soar because of the incredible adults who lift them up every day.

Next week will be a busy one with half days all week for Fall Conferences. Please make sure you have a time scheduled with Mrs. Cunningham so she can share your student's learning and academic growth so far this year. Our students are anchored in excellence, and we're proud of all the progress they've made!

I'll also be available to meet with families during Conference Week. If you'd like to schedule a time to connect with me, please reach out — I already have a few on the books and am looking forward to those conversations.

In addition, next week we'll be recognizing Digital Citizenship Week. Our Eagles will take part in a series of lessons focused on how to be safe, responsible, and respectful digital citizens when working and communicating online.

We also have another fun field trip next week on Tuesday, when we'll visit the Anderson Island Volunteer Fire Department. This annual trip is always such a great learning experience, and we're thankful to our local volunteer firefighters for welcoming our Convocation of Eagles each year.

Finally, we'll wrap up the week with our Trunk or Treat event on Saturday, October 25th at 5:00 PM — a great way to close out the month with some fun and community spirit!

As always, have a great weekend. Stay dry, get some exercise, and keep reading those books.

I look forward to seeing you all next week.

Notes from the Classroom

Mrs. Cunningham

It was a wonderful week full of laughs and learning. It was a great day for the pumpkin patch on Thursday; we couldn't have asked for better weather. Thank you to everyone who helped out, and a BIG Thank you to the Booster Club for sponsoring this fantastic annual event!

We also incorporated a lot of learning and concluded the week with a brief I-Ready Growth Monitoring assessment in both reading and math. The fall diagnostic and current growth monitoring scores will be shared during conferences.

Please note that next week will be half-day sessions all week, with dismissal at 11:30 a.m. We will not be eating lunch at school; however, your student can order a sack lunch to take home and eat.

Enjoy the weekend!
