

# Superintendent's Snapshot

MARICOPA UNIFIED SCHOOL DISTRICT

October 17, 2025

## MARICOPA MEANS BUSINESS!

Put smart people in a room, add good food, and talk about partnerships that benefit everyone. That's a recipe for progress, and this week's Partners Luncheon delivered. If you are a parent who owns a local business, we want you at the table in February. Complete the [New Business Partner Form](#), and we will save you a seat.

In MUSD, partnerships are not a one-way street. They're mutually beneficial and open doors for students and strengthen our city: internships, performances, and shared spaces. That's a win-win!

Thank you to [Maricopa Flowers](#) for the fresh floral centerpieces at yesterday's event.

### HOW YOU CAN HELP

- **Be an ambassador:** Tell the story. Start the buzz. Share what's working in MUSD.
- **Lend your talent:** Read to a class, mentor a student, or share your expertise where it counts.
- **Sponsor a program:** Back the experiences that help students grow and our schools shine.

### HOW WE CAN HELP

- **Need space:** Rent our gyms, auditoriums, and fields.
- **Want visibility:** Partner with us. We will help you get seen.
- **Need fresh ideas:** Bring on an intern. Our students are ready to work.

Thank you for choosing MUSD.

Sincerely,

Dr. Tracey Lopeman  
Superintendent, Maricopa Unified School District
