

2025-2026

Annual Mathematics Placement Report

Mathematics Placement Act of 2015

Required

- School districts that serve pupils entering grade nine and that have not already done so to adopt “a fair, objective, and transparent mathematics placement policy” that consider multiple objective measures (i.e. California statewide assessments and pupil course grades)

Purpose of SB 359

- To eliminate “math misplacement” which resulted in many CA students, especially students of color, being required to repeat a math course when objective data indicated that they should advance to the next course.

Applies to Procedure for 9th Grade Placement
