

FWPA Booster Club Membership

The Federal Way Public Academy (FWPA) Booster Club welcomes all new and returning families. Similar to a PTSA, the Booster Club focuses on connecting as a community and bringing families together. Through our efforts, the Booster Club aims to support the school, advocate for FWPA families, and positively impact our children's future. We are excited to aid FWPA's principal, students, staff, and teachers through our fundraising, volunteering, and advocacy efforts.
