Week 2

LHEA Parent Newsletter

Welcome to this week's newsletter

I wanted to take this opportunity to thank you for supporting us in our drive to maintain good standards of behaviour and uniform and remind you about some aspects which still come up from time to time:

- Students should arrive at school for 8.25 when the first bell rings to be in class for the start of their first lesson at 8.30
- E-scooters are not allowed on the school site
- Hair colour should be natural (i.e., not pink, blue etc.)
- Learning Wallets are needed every day in school – these are an essential part of your child's learning and need to be maintained in terms of the equipment inside them
- There are some lockers still available. Students must collect a form from student services if they want one

Paracetamol Consent

If your child suffers from a minor medical ailment during the school day, we are able to administer one 500mg paracetamol tablet, provided we have your written consent. This will always be given by a trained First Aider, and you will be notified when paracetamol has been administered.

If repeated requests are made, we will contact you to discuss any underlying issues, and the school may withdraw the availability of paracetamol if appropriate. Consent forms can be collected by students from Student Services.

Please ensure a signed form is returned if you would like your child to have access to paracetamol in school.

Culture Curriculum at Lynch Hill Enterprise Academy

As with last week, we are continuing our focus on questioning and how students respond to questioning. There have been great improvements across the school in the way that teachers are now using the information from student's responses to re-teach and clarify any student misunderstandings and we have had a positive first week of focusing on this We will continue to work hard to ensure this trend continues to get better.

We are still managing students' corridor movement and punctuality and will continue this into next week to ensure improvements are made. Students have 3 minutes to move from one lesson to another, which is more than enough time. If a student takes 4 or more minutes to arrive to their lesson, they will be removed from lessons for the remainder of the morning or afternoon as simple expectations have not been followed and this disrupts the learning of others. This expectation will remain for the rest of the academic year.

In order to get to lessons on time, students will be taught to:

- Check their timetable in their planner and know where they are going before moving to their next lesson
- Leave the lesson quietly and calmly when dismissed
- Walk on the left-hand side directly to their next lesson
- Walk in single file on stairs to allow others to pass safely
- Walk in single file or pairs in corridors – but in no more than pairs to allow other to pass safely
- Talk in calm, kind voices

As families of our students, we would like you to support us in teaching and reinforcing these excellent routines with your child. We would also like you to support us in ensuring your child arrives to school by 8.25am, so they can be in their lesson ready to learn at 8.30am.

Learning Wallets

A reminder that students should be bringing in their learning wallets, which were provided at the start of the year. Each Learning Wallet includes the essential tools your child needs for every lesson: a black pen, green pen, ruler, rubber, planner, timetable, mini whiteboard, mini whiteboard pen and rubber. Please do remind your child that they are to bring this with them each day and should they need to repurchase items in school, Parentpay can be topped up to do this for 50p per item.
