LHEA Parent Newsletter

Welcome to this week's newsletter

This year's Open Evening on Wednesday was a great success. The school looked fabulous, and it was made so much better by having so many students acting as tour guides or supporting with subject areas. I was privileged to hear numerous comments from visiting parents about the students and their fabulous manners and pride in their school. There are dates for two further open mornings on the website which I would ask you to refer any interested friends to.

I would like to draw your attention to the dates to the side for the Year 8-11 Success evenings that are coming up. These are important elements in ensuring a strong relationship between school and home and will put you in a good position to help your child have a successful year.

Appointments and attendance

We totally understand that occasionally appointments need to be made during the working week; please try to make them after the school day to avoid missing valuable teaching time.
Our expectations are as follows:

- If an appointment is made after 09.30am, the student must come to school as normal and be collected for the appointment.
- We will expect all students to return to school straight after the appointment.

We will only authorise appointments when we have received written confirmation.

Thank you for your understanding; if you have any questions, please do not hesitate to contact attendance@lhea.org.uk

Culture Curriculum at Lynch Hill Enterprise Academy

This week our culture curriculum has focused on questioning how students respond to questioning. There have been great improvements across the school in the way that teachers are now using the information from student's responses to re-teach and clarify any student misunderstandings. We will continue to work hard to ensure this trend continues to get better.

Next week our culture curriculum will focus on corridor movement and punctuality. Students have 3 minutes to move from one lesson to another, which is more than enough time. If a student takes 4 or more minutes to arrive to their lesson, they will be removed from lessons for the remainder of the morning or afternoon as simple expectations have not been followed and this disrupts the learning of others. This expectation will remain for the rest of the academic year.

In order to get to lessons on time, students will be taught to:

- Check their timetable in their planner and know where they are going before moving to their next lesson
- Leave the lesson quietly and calmly when dismissed
- Walk on the left-hand side directly to their next lesson
- Walk in single file on stairs to allow others to pass safely
- Walk in single file or pairs in corridors – but in no more than pairs to allow other to pass safely
- Talk in calm, kind voices

As families of our students, we would like you to support us in teaching and reinforcing these excellent routines with your child. We would also like you to support us in ensuring your child arrives to school by 8.25am, so they can be in their lesson ready to learn at 8.30am.

Learning Wallets

Finally, we have invested in ensuring every child is equipped to learn and given every student a learning wallet. Each Learning Wallet includes the essential tools your child needs for every lesson: a black pen, green pen, ruler, rubber, planner, timetable, mini whiteboard, mini whiteboard pen and rubber. Could you check they have all of this equipment every week. If they are missing any items, please ensure that there is enough money in your child's ParentPay account to purchase the missing items (each item is sold by the school for 50p), or alternatively purchase them yourself.

Golden Ticket winners

This week's golden ticket draw winners for demonstrating kindness and good citizenship are:

Arnav M- 7 Jobs

Khadeeja K- 11 Davinci

Water bottles

We have a lot of students arriving into school withou their water bottles. Over the summer break, we had new chilled water dispensers installed around the school to replace the drinking fountains, allowing students to fill up their water bottles with fresh cold water.

It is important they remember to bring their bottles into school. Replacements can also be purchased vi the Rewards shop or from the dining hall.
