

TUSKER TRACKS

A weekly, *trunkated* note from Dr. B

The Bronstein Brief

October is Principal Appreciation Month! I am so thankful for the leadership of our four Principals and for their dedication to putting Somers' students first each and every day. When you next see Mr. Rodrigues, Ms. Mangone, Ms. Belger or Ms. Winter, please be sure to thank them for their hard work! What they do is vital and we're appreciative for their service to our families, community, staff and most importantly, our students.

Tusker Pride

This week, we were thrilled to announce the Somers High School Class of 2026 Valedictorian, Aiden DiSiena and Salutatorian, Isabella Wissa!

Their hard work, leadership, and dedication have truly set the standard for excellence. We can't wait to celebrate all you've accomplished, and all that's still to come!

Congratulations, Aiden and Isabella!

Around the District

This week, I had the honor of assembling the Somers Superintendent's Leadership Group for our first meeting of the year. Representatives from grades 5-12 met with me for pizza and conversation, during which time we discussed their schools, classes, activities and interests! The group will meet with me periodically throughout the year to talk through ideas, areas of focus and solutions for the Somers Schools and community.

'Tails' of Triumph

This year in 6th Grade WIN classes, students are given the opportunity to decorate lockers for birthdays during the school day! In an effort to relieve the parental burden and need for after-hours work, students are able to spend designated time during the school day ensuring every 6th grader is celebrated this year.

Tusker Tidbits

Earlier today, SHS Fashion students participated in the first Art & Design College Fair and Portfolio Day! Juniors and Seniors had the opportunity to meet with representatives from fashion schools from around the US and receive portfolio feedback.

The Week Ahead

10/20-10/24 - SIS PTA Fall Book Fair
