REFUSAL TO PERMIT ADMINISTRATION OF EPINEPHRINE FOR EMERGENCY FIRST AID

Name of Child: _____

Date of Birth: _____

Address of Child: _____

Name of
Parent(s): _____

Address of
Parent(s): _____
(if different from child)

Connecticut law requires the school nurse and other qualified school personnel in all public schools to maintain epinephrine in cartridge injectors (EpiPens) for the purpose of administering emergency first aid to students who experience allergic reactions and do not have a prior written authorization of a parent or guardian or a prior written order of a qualified medical professional for the administration of epinephrine. State law permits the parent or guardian of a student to submit a written directive to the **school nurse and school medical advisor** that epinephrine shall not be administered to such student in emergency situations. This form is provided for those parents who refuse to have epinephrine administered to their child. The refusal is valid for only for the 2025-2026 school year.

I, _____, the parent/guardian
of _____,

Print name of parent/guardian
student

Print name of

refuse to permit the administration of epinephrine to the above named student for
purposes of emergency first aid in the case of an allergic reaction.

Signature of Parent/Guardian

Date

Please return the completed original form to your child's school nurse. A copy of the signed and dated form must also be mailed to the school medical advisor, Dr. Domenic Casablanca, 4 Corporate Dr. Shelton, CT 06484.
