**Calm & Strong Kids Tip:**

In a world filled with big emotions, one of the most powerful tools a child can have is a robust emotional vocabulary. The phrase "Name It to Tame It," coined by Dr. Daniel Siegel, refers to the practice of labeling our emotions to help calm and gain control over them. When children learn to identify their feelings, they are better equipped to manage them and grow into calm, strong individuals.

# VISITORS

Now that our students have settled into the new school-year routines, we are happy to welcome lunchtime visitors again! Please keep in mind that seating is limited and student safety is our top priority.

As a reminder, school-aged siblings are not able to attend school-day activities, including lunch visits, classroom parties, and grade-level or classroom events. Lunch visitors who are not attending with a parent must also be listed as an emergency contact. These practices help us keep students safe, comply with fire codes, and minimize lost instructional time.

We appreciate your understanding and support in helping us maintain a safe, focused learning environment. If you have questions, please contact the school office

## ATTENDANCE

School attendance is critical for the quality of your child's education. A child who misses a day of school misses a day of learning opportunities. Should it be necessary for your child to miss a day of school, you must submit your child's absence online or send a written and signed note stating the reason for the child's absence within 3 days of the students return from the absence with the information listed below.

- Student's first and last legal name
- Grade Level
- Student ID #
- Specific dates of the absence
- Specific reason for the absence
- Parent signature

If a doctor's note is submitted, please make sure that it covers ALL days of the absence. If not, please send an accompanying parent note with the above-listed information. *Emails will no longer be accepted. Please use this link to complete online form.* [Absence link](#)

Students are required to attend class 90% of the time it is offered to be able to receive credit and be promoted to the next grade level. All absences, regardless of excused or unexcused, including leaving early and coming in late, count towards the 90% rule.

Please help make your child's education a top priority by building a habit of daily attendance.

\*If your child's birthday is anytime between December and March, due date for your child's birthday message is Nov. 17th.
