School Environment

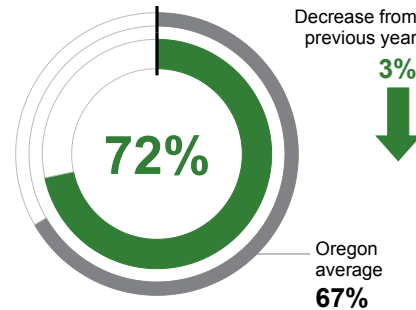

CLASS SIZE

Median size of classes in core subjects.

REGULAR ATTENDERS

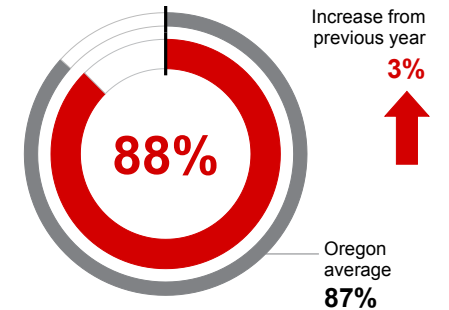

Students who attended more than 90% of their enrolled school days.

Academic Progress

ON-TRACK TO GRADUATE

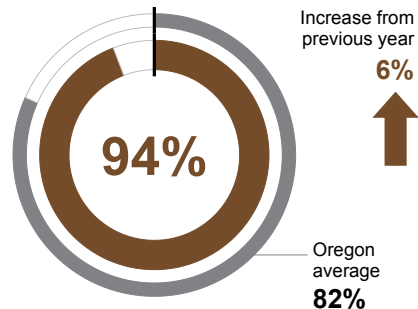

Students earning one-quarter of graduation credits in their 9th grade year.

Academic Success

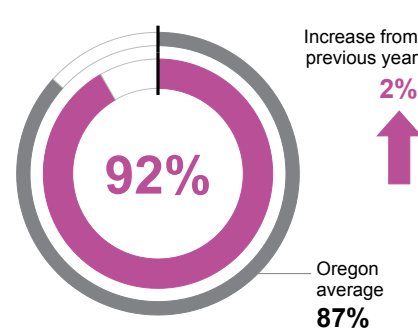

ON-TIME GRADUATION

Students earning a diploma within four years. Cohort includes students who were first-time ninth graders in 2020-21 graduating in 2023-24.

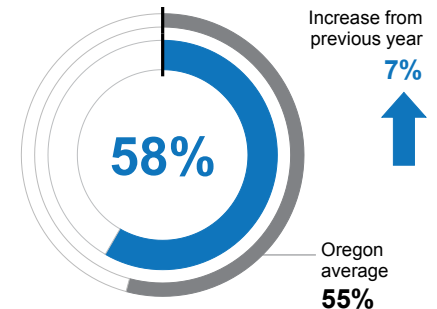

FIVE-YEAR COMPLETION

Students earning a high school diploma or GED within five years. Cohort includes students who were first-time ninth graders in 2019-20 finishing in 2023-24.

COLLEGE GOING

Students enrolling in a two or four year college within 12 months of completing high school in 2022-23. Data from the National Student Clearinghouse.

School Goals

Our areas of focus for improvement at GPHS are improving our regular attendance rate, focusing on our 9th graders staying on track for graduation (earning at least 6 credits) and seeing all of our students complete their high school diploma. We have formed teacher teams to focus on students who need more support and help. We will engage our students through establishing strong routines in the classroom, rigorous classroom instruction that includes Writing, Inquiry, Collaboration, Organization, and Reading, and establishing strong relationships in the classroom.

State Goals

The Oregon Department of Education is collaborating with school districts and communities across the state to achieve a 90% on-time graduation rate by 2027. Grounded in the pillars of Academic Excellence, Belonging and Wellness, and Reimagined Accountability, ODE prioritizes evidence-based practices to boost early literacy, attendance, and student engagement. We are committed to closing opportunity and achievement gaps for marginalized students and securing long-term success for all of Oregon's learners by investing in culturally responsive practices, fostering inclusive environments and always driving for continuous improvement.

Safe & Welcoming Environment

We are making concerted efforts to welcome ALL students and families at GPHS. We are proud to partner with Grants Pass Public Safety in providing a School Resource Officer at GPHS. Siskiyou Community Health and All Care are providing a School Based Health Clinic at GPHS. Our "Spanish Family Advocate" helps inform, involve, and educate our non-native speaking families. We work to make GPHS a welcoming and safe place for all. To keep our campus safe, we now have a buzz-in system at our front doors, enhanced security camera system and our campus is fully surrounded by a fence and locked exterior doors.

About Our School

ADVANCED COURSEWORK

Grants Pass High School offers a robust assortment of honors and advanced courses. We currently have 18 AP class offerings plus strong partnerships with Southern Oregon University and Rogue Community College, including early college which provides students the opportunity to take college classes on RCC's campus. There are more college credit opportunities at GPHS than in any school in the Rogue Valley.

CAREER & TECHNICAL EDUCATION

Our CTE program at GPHS has more program offerings that nearly any other school our size. Our program offers 9 CTE teachers in Basic Early Childhood Education, Computer Science, Culinary Arts, Health Science, Manufacturing, Metal Fabrication, Engineering, Marketing/Business Education and Automotive. Our students have many opportunities to learn and grow in the field of their choice. Our programs have college articulation agreements that allow our CTE students to earn college credits. Students have the opportunity to be "program completers" by finishing a pathway within a CTE program. We encourage all of our students to participate in these hands-on classes to develop skills and find their interest and passion.

EXTRACURRICULAR ACTIVITIES

We have 19 approved OSAA sports with over 800 students participating in these activities. Additionally we have a wide array of clubs for nearly every interest and ability. At present, over 25 clubs are available for students at GPHS. We are proud that our clubs has a community service component built in.

PARENT & COMMUNITY ENGAGEMENT

"We are GP" is our districtwide mantra we believe in. This includes parents, students, community members and staff. We encourage all of our parents to participate in our parent informational nights held on Back to School Night, Parent Conference night, FAFSA night, Senior Planning night, Junior College night, as well as Booster Club events.
