School Goals

Our school aims to boost attendance and decrease chronic absenteeism by fostering a supportive and engaging environment. We're enhancing behavior support to address the root causes of student disengagement. A school-wide focus on writing, leveraging AVID strategies like WICOR (Writing, Inquiry, Collaboration, Organization, Reading), will empower students to improve academic achievement across all subjects. This integrated approach ensures every student feels connected, supported, and ready to learn, directly impacting their presence and success in school.

State Goals

The Oregon Department of Education is collaborating with school districts and communities across the state to achieve a 90% on-time graduation rate by 2027. Grounded in the pillars of Academic Excellence, Belonging and Wellness, and Reimagined Accountability, ODE prioritizes evidence-based practices to boost early literacy, attendance, and student engagement. We are committed to closing opportunity and achievement gaps for marginalized students and securing long-term success for all of Oregon's learners by investing in culturally responsive practices, fostering inclusive environments and always driving for continuous improvement.

Safe & Welcoming Environment

Our school partners with our local law enforcement agency to enhance safety with a School Marshall Program. We regularly practice safety routines and trainings so all students feel comfortable and safe. We host many events that invite families and community into our buildings including Fall Family Meetings, Back to School Night, music programs, curriculum nights, Fall Festival and Spring BBQ.

About Our School

BULLYING, HARASSMENT, AND SAFETY POLICIES

Each year we review and practice common area rules and expectations including how to use playground equipment safely. We follow school board policies that govern our interventions and responses to bullying and harassment. Our main efforts are in prevention through curriculum and creating an environment that is inclusive and positive. We implement Second Steps curriculum K-5 year-long as well as the Second Steps Bully Prevention Program by the end of October annually.

EXTRACURRICULAR ACTIVITIES

In addition to band and strings that is offered to 4th and 5th graders, we offer numerous opportunities outside of the regular school day including: Battle of the Books, Honor Choir, Honor Orchestra, SMILE Club and a variety of after school sport activities.

PARENT ENGAGEMENT

We have an active and supportive Parent Teacher Association (PTA) as well as parent representatives on our Site Council and the district Parent Advisory Council. We communicate with families in a variety of ways including: email, newsletters, ParentSquare, Peachjar, classroom messages on newsletters and/or homework and our building website. Parent conferences are held twice a year but we welcome parent meetings as requested. We welcome family volunteers to work in our classrooms, school wide events and chaperone field trips.

COMMUNITY ENGAGEMENT

One of our biggest community partners is OPTIONS of Southern Oregon to provide mental health supports for our students. Our Public Safety Department partners with us to provide training with fire safety, safety protocols and they make classroom visits. We host parent education nights including our very successful READY!, a Kindergarten event held annually. We have many business leaders who volunteer their time by either working in the classroom or making presentation to classrooms.
