School Goals

Redwood will target math, reading, and writing this year to help students increase skills in their deficit areas. Each grade level will work at mastering math facts by using classroom strategies. Through the use of our RTII system staff will use core curriculum and intervention supports to serve students. Each grade level will show growth in their deficit skill as indicated by their fall 100% meeting data. Each grade level will show growth in their deficit skill as indicated by their fall 100% meeting data.

State Goals

The Oregon Department of Education is collaborating with school districts and communities across the state to achieve a 90% on-time graduation rate by 2027. Grounded in the pillars of Academic Excellence, Belonging and Wellness, and Reimagined Accountability, ODE prioritizes evidence-based practices to boost early literacy, attendance, and student engagement. We are committed to closing opportunity and achievement gaps for marginalized students and securing long-term success for all of Oregon's learners by investing in culturally responsive practices, fostering inclusive environments and always driving for continuous improvement.

Safe & Welcoming Environment

Our school partners with our local law enforcement agency to enhance safety with a School Marshall Program. We regularly practice safety routines and trainings so all students feel comfortable and safe. We host many events that invite families and community in to our building including our Meet and Greet, Fall Parent Connection Meetings, music programs, curriculum nights, Harvest Festival, Jog-a-thon, Redwood End of the Year Celebration, and Holiday meals.

About Our School

BULLYING, HARASSMENT, AND SAFETY POLICIES

Each year we review and practice common area rules and expectations including how to use playground equipment safely. We follow school board policies that govern our interventions and responses to bullying and harassment. Our main efforts are in prevention through curriculum and creating an environment that is inclusive and positive. We implement Kelso's Choice and Second Steps curriculum K-5 year-long as well as the supplemental Second Steps Bully Prevention Program by the end of October annually. Our Health Curriculum allows teachers to not only teach students the health standards, but also focuses on healthy social and emotional skill development for all of our students, grades K-5th.

EXTRACURRICULAR ACTIVITIES

In addition to band and strings that is offered to 4th and 5th graders, we offer numerous opportunities outside of the regular school day including: Battle of the Books, Student Council, and a variety of after school clubs.

PARENT ENGAGEMENT

We have an active and supportive Parent Teacher Association (PTA) as well as parent representatives on our Site Council and the district Parent Advisory Council. We communicate with families in a variety of ways including: email, monthly building newsletters, messages through Parent Square, classroom messages on newsletters and/or homework and our building website. Parent conferences are held once a year but we welcome parent meetings as requested. We welcome family volunteers to work in our classrooms, school wide events and chaperone field trips.

COMMUNITY ENGAGEMENT

One of our biggest community partners is OPTIONS of Southern Oregon to provide mental health supports for our students. Our Public Safety Department partners with us to provide training with fire safety, safety protocols and they make classroom visits. We host parent education nights including our very successful READY! for Kindergarten events held two times a year annually. Every grade level attends local field trips partnering with a variety of community organizations and businesses. Grade levels also plan presentations with local community partners to educate students about everything from leading a healthy lifestyle to learning about different careers in our community.
