## Introducing: Maria Tersigni

We are happy to announce that we have hired a new PE teacher for this school year, Maria Tersigni. Please introduce yourselves and make her feel welcome! Here is more information about her:

Hi! My name is Maria Tersigni, and I am so excited to be joining the Lincoln team! This will be my second year teaching physical education. I graduated in 2023 from Metro with a Bachelor of Science in K-12 physical education and went right into teaching. I am so excited to continue my education and such a great community. I truly enjoy being able to give kids the benefit that physical education can bring them every day.

I am a mom to a beautiful nine-month-old baby who is my pride and joy! I am a Colorado native, born and raised. My family has grown up in Arvada since my grandma moved here from New York. I have been raised in a family of educators, so it was natural for me to want to work with kids. I love to enjoy the outdoors with my daughter and explore as many places as I can with her. My favorite places to go outside are El Dorado Canyon, Laverne in Lyons, Estes Park, and Golden.

I cannot wait to get to know the Lincoln community this school year and build so many amazing relationships! Go Leopards!
