PENAL CODE SECTION 11166. REPORT; DUTY; TIME

11166. (a) Except as provided in subdivision (b) any child care custodian, health practitioner, or employee of a child protective agency who has knowledge of or observes a child in his or her professional capacity or within the scope of his or her employment whom he or she knows or reasonably suspects has been the victim of child abuse shall report the known or suspected instance of child abuse to a child protective agency immediately or as soon as practically possible by telephone and shall prepare and send a written report thereof within 36 hours of receiving the information concerning the incident. A child protective agency shall be notified and a report shall be prepared and sent even if the child has expired, regardless of whether or not the possible abuse was a factor contributing to the death, and even if suspected child abuse was discovered during an autopsy. For the purposes of this article, "reasonable suspicion" means that it is objectively reasonable for a person to entertain such a suspicion, based upon facts that could cause a reasonable person in a like position, drawing when appropriate on his or her training and experience, to suspect child abuse. For the purpose of this article, the pregnancy of a minor does not, in and of itself, constitute the basis of reasonable suspicion of sexual abuse.

(b) Any child care custodian, health practitioner, or employee of a child protective agency who has knowledge of or who reasonable suspects that mental suffering has been inflicted on a child or his or her emotional well-being is endangered in any other way, may report such known or suspected instance of child abuse to a child protective agency.

(c) Any commercial film and photographic print processor who has knowledge of or observes, within the scope of his or her professional capacity or employment, any film, photograph, videotape, negative or slide depicting a child under the age of 14 years engaged in an act of sexual conduct, shall report such instance of suspected child abuse to the law enforcement agency having jurisdiction over the case immediately or as soon as practically possible by telephone and shall prepare and send a written report of it with a copy of the film, photograph, videotape, negative or slide attached within 36 hours of receiving the information concerning the incident. As used in this subdivision, "sexual conduct" means any of the following:

- (1)** Sexual intercourse, including genital-genital, oral-genital, anal-genital, or oral-anal, whether between persons of the same or opposite sex or between humans and animals.
- (2)** Penetration of the vagina or rectum by any object.
- (3)** Masturbation, for the purpose of sexual stimulation of the viewer.
- (4)** Sadomasochistic abuse for the purpose of sexual stimulation of the viewer.
- (5)** Exhibition of the genitals, pubic or rectal areas of any person for the purpose of sexual stimulation of the viewer.

(d) Any other person who has knowledge of or observes a child whom he or she knows or reasonably suspects has been a victim of child abuse may report the known or suspected instance of child abuse to a child protective agency.

(e) When two or more persons who are required to report are present and jointly have knowledge of a known or suspected instance of child abuse, and when there is agreement among them, the telephone report may be made by a member of the team selected by mutual agreement and a single report may be made and signed by such selected member of the reporting team. Any member who has knowledge that the member designated to report has failed to do so, shall thereafter make the report.

(f) The reporting duties under this section are individual, and no supervisor or administrator may impede or inhibit the reporting duties and no person making such a report shall be subject to any sanction for making the report. However, internal procedures to facilitate reporting and apprise supervisors and administrators of reports may be established provided that they are not inconsistent with the provisions of this article.

The internal procedures shall not require any employee required to make reports by this article to disclose his or her identity to the employer.

(g) A county probation or welfare department shall immediately or as soon as practically possible report by telephone to the law enforcement agency having jurisdiction over the case, to the agency given the responsibility for investigation of cases under Section 300 of the Welfare and Institutions Code, and to the district attorney's office every known or suspected instance of child abuse as defined in Section 11165.6, except acts or omissions coming within subdivision (b) of Section 11165.2, or reports made pursuant to Section 11165.13 based on risk to a child which relate solely to the inability of the parent to provide the child with regular care due to the parent's substance abuse, which shall only be reported to the county welfare department. A county probation or welfare department shall also send a written report thereof within 36 hours of receiving the information concerning the incident to any agency to which it is required to make a telephone report under this subdivision.

A law enforcement agency shall immediately or as soon as practically possible report by telephone to the agency given responsibility for investigation of cases under Section 300 of the Welfare and Institutions Code and to the district attorney's office every known or suspected instance of child abuse reported to it, except acts or omissions coming within subdivision (b) of Section 11165.2, which shall only be reported to the county welfare department. A law enforcement agency shall report to the county welfare department every known or suspected instance of child abuse reported to it which is alleged to have occurred as a result of the action of a person responsible for the child's welfare, or as the result of the failure of a person responsible for the child's welfare to adequately protect the minor from abuse when the person responsible for the child's welfare knew or reasonably should have known that the minor was in danger of abuse. A law enforcement agency shall also send a written report thereof within 36 hours of receiving the information concerning the incident to any agency to which it is required to make a telephone report under this subdivision.
