THE FOXHOLE FLYER

PRINCIPAL MESSAGE

Hello VOL Families!

We have officially cleared the first quarter and I cannot be happier with how we've started the school year! As we move into the rest of the first semester, let's continue to work together to keep our students engaged and on track in their classes. Success at VOL is built on a strong partnership between families and educators, and your involvement—checking on progress and encouraging your student—remains essential. With ongoing collaboration, we can help every student succeed.

As many of you know, October is Breast Cancer Awareness Month—a time to honor survivors, remember those we've lost, and support those still fighting. Many in our VOL family have been personally affected by this disease, and we stand together in solidarity. To show our support, we invite all students, staff, and families to wear pink on October 24. Let's fill our virtual and physical spaces with hope and unity! Please share your photos on social media and tag VOL using the hashtag **#volforyou** so we can celebrate our community's spirit and support for this important cause.

Thank you for reading. I hope you have a great week!

IMPORTANT REMINDERS

Report cards are now available in Parent Portal. If you do not have a Parent Portal account, now is the time to create your account. Directions can be found [here](#).

Academic Integrity Reminder - VOL students are required to submit 100% of their own work. We have seen several instances in the past week of students borrowing work from previous VOL/FLVS students and submitting it as their own. These items get flagged by the system and require an Academic Integrity review. Students should be reviewing all lesson content before completing the assignment, quiz, or exam associated with each lesson.

We love to hear from you! If you have something positive to share about a teacher, course, or your experiences as a VOL parent or student, please send us an email at volusiaonlinelearning@volusia.k12.fl.us.

NEW TEACHER SPOTLIGHT!

Paul Thompson

"I hold an MBA in Business and a Bachelor's in Communications, and I'm passionate about giving back—currently serving as Chairman of the Board for Scouting America in Volusia and Flagler Counties. A fun fact about me: I've traveled around the world three times and visited six of the seven continents! I'm married with one son, and our family includes a dog, three cats, and two grand dogs."

STUDENT SPOTLIGHT!

Cameron Rich - 1st Grader

Cameron was nominated by Mrs. Kochis. "Cameron exhibits leadership skills in class every day. He tries his best, engages in class activities and seeks understanding. He loves to share his scientific discoveries and supports his friends in class too. Cameron stays on track and diligently works through the modules on pace and with enthusiasm. He works hard to achieve excellent grades and is happy doing it! Cameron is willing to learn a new perspective/skill or share one that works. Above all, Cameron is kind and caring on all days."
