CVSU Afterschool Late Bus Drivers' Protocol for Student Drop-Off

- Students in grades K through 5 who ride the late bus will be dropped off only if an authorized person is present to meet them.
- The CVSU Afterschool site coordinator will provide the bus driver with a list of persons authorized by each student's parent/guardian to meet the student.
- The bus driver will ask for photo identification from the person meeting the student at the bus stop unless/until the driver is familiar with the authorized persons.
- The bus driver will not release a student to any person who is not on the list of authorized persons.
- CVSU Afterschool will inform parents/guardians of K-5 students that the authorized person should come to the door of the bus to meet their student and should be prepared to show photo identification to the bus driver.
- CVSU Afterschool requires that parents/guardians submit changes to a student's transportation plan to the site coordinator in writing. This includes changes or additions to persons authorized to meet students at the bus stop.
- If a student in grades K-5 is not met by an authorized person at the bus stop, the student will remain on the bus and the bus driver will call the site coordinator who will attempt to contact the student's parent/guardian.
 - If a parent/guardian can be reached and is able to report to the bus stop within 2 or 3 minutes, the driver will wait for the parent/guardian to arrive.
 - If a parent/guardian cannot be reached or cannot report to the bus stop within a few minutes, the student will be returned to school, where they will be met by the afterschool site coordinator or their designee.
