

Garden Villas Elementary School-Parent Compact

School Year 2025–2026

At Garden Villas Elementary School, a proud music magnet school, we believe that student success is a shared responsibility among the school, families, and students. This compact outlines how we will work together to support academic achievement, social-emotional growth, and musical development.

School Commitments

- Provide high-quality instruction in all academic areas.
- Offer specialized music programs: choir, band, orchestra, piano, and general music.
- Communicate regularly with families about student progress.
- Provide opportunities for families to engage with music learning.
- Share strategies and resources to support learning at home.
- Ensure a safe, inclusive, and engaging environment that promotes creativity, discipline, and a love for learning.
- Include Spanish communications as much as possible.

Parent/Family Commitments

- Support their child’s learning by ensuring regular attendance.
- Encourage practice and participation in music activities.
- Attend performances and school events.
- Maintain communication with teachers about academic and musical progress.
- Provide a positive home environment that values learning, responsibility, and student achievements.
- Recognize that parents are their children’s first teachers.

Student Commitments

- Take responsibility for their learning by attending school daily and on time.
- Complete assignments.
- Participate actively in music classes and ensembles.
- Practice instruments or music skills at home.
- Show respect and cooperation with teachers, peers, and staff.
- Give all written communication to parents.

By working together, school, families, and students can ensure that every child achieves academic success, develops musical skills, and grows socially and emotionally.
